Item 1.01 Entry into a Material Definitive Agreement

On August 29, 2008, the Compensation Committee of the Registrant's Board of Directors revised target 2008 cash bonuses under the Registrant's Annual Bonus Program for certain named officers to reflect changes in their duties and responsibilities. The revised targets are as follows:

Officer	2008 Target Bonus (in \$US)
Daniel A. Halftermeyer	194,597
Ralph M. Pumbo	130,521

The Committee had already determined that cash bonuses for the Registrant's top management, including the above-named officers, for 2008 would be based on one or more of: consolidated operating income, adjusted corridor or segment operating income, corridor or segment net sales of other functional metrics and individual performance criteria. A cash bonus equal to the target amount will generally be paid if the Committee determines that appropriate performance levels in each of these areas has been achieved. Lesser bonuses may be paid if such performance is not achieved and larger bonuses if performance exceeds such levels. The Committee further determined, however, that it would reserve the right to exercise its discretion, after the close of the 2008 fiscal year, as in prior years, to determine to what extent cash bonuses had been earned, and reserved the right to take individual performance factors (including, for example, the possible adverse impact during the year of cost-reduction, plant closings or downsizings and other restructuring-related activities in specific divisions, regions or business lines) into account, and to employ both objective and subjective criteria in determining the final bonuses.
