ALBANY INTERNATIONAL CORP.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(unaudited)

1. Significant Accounting Policies

Basis of Presentation

In the opinion of management, the accompanying consolidated financial information reflects all adjustments necessary for a fair presentation of Albany International Corp.'s ("Albany", the "Registrant", the "Company", "we", "us", or "our") financial position, results of operations and cash flows for the interim periods presented, but does not include all disclosures required by the accounting principles generally accepted in the United States ("GAAP"). All such adjustments are of a normal recurring nature, unless otherwise disclosed in this report. Certain amounts in prior year financial statements and notes thereto have been reclassified to conform to current year presentation. The information included in this Quarterly Report on Form 10-Q should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended December 31, 2023.

Estimates

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Due to the inherent uncertainty involved in making estimates, actual results reported in future periods may differ from those estimates. Estimates and assumptions are reviewed periodically, and the effects of any revisions are reflected in the consolidated financial statements in the period they are determined to be necessary.

Recent Accounting Pronouncements

In November 2023, the FASB issued Accounting Standards Update No. 2023-07, "Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures" ("ASU 2023-07"), which is intended to improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. The guidance is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The guidance is to be applied retrospectively to all prior periods presented in the financial statements. Upon transition, the segment expense categories and amounts disclosed in the prior periods should be based on the significant segment expense categories identified and disclosed in the period of adoption. We are currently evaluating the potential impact of adopting this new guidance on our consolidated financial statements and related disclosures.

In December 2023, the FASB issued Accounting Standards Update No. 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures" ("ASU 2023-09"), which modifies the rules on income tax disclosures to require entities to disclose (1) specific categories in the rate reconciliation, (2) the income or loss from continuing operations before income tax expense or benefit (separated between domestic and foreign) and (3) income tax expense or benefit from continuing operations (separated by federal, state and foreign). ASU 2023-09 also requires entities to disclose their income tax payments to international, federal, state and local jurisdictions, among other changes. The guidance is effective for annual periods beginning after December 15, 2024. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. ASU 2023-09 should be applied on a prospective basis, but retrospective application is permitted. We are currently evaluating the potential impact of adopting this new guidance on our consolidated financial statements and related disclosures.

In March 2024, the FASB issued Accounting Standards Update No. 2024-01, "Compensation - Stock Compensation (Topic 718): Scope Application of Profits Interest and Similar Awards" (ASU 2024-01), which clarifies how an entity determines whether profits interest or similar awards should be considered within the scope of ASC 718 as a share-based payment arrangement or under ASC 710 or other ASC topics in a manner similar to a cash bonus or profit-sharing arrangement. The guidance is effective for annual periods beginning after December 15, 2024, and interim periods beginning within those annual periods. Early adoption is permitted for both interim and annual financial statements that have not yet been issued or made available for issuance. ASU 2024-01 should be applied either (1) retrospectively to all prior periods presented in the financial statements or (2) prospectively to profits interest and similar awards granted or modified on or after the date at which the entity first applies the amendments. We are currently evaluating the potential impact of adopting this new guidance on our consolidated financial statements and related disclosures.

2. Reportable Segments and Revenue Recognition

The Company is organized based on the nature of its products and is composed of two reportable segments, Machine Clothing ("MC") and Albany Engineered Composites ("AEC"), each overseen by a Segment President. These segments are reflective of how the Company's Chief Executive Officer, who is its Chief Operating Decisions Maker ("CODM"), reviews operating results for the purpose of allocating resources and assessing performance. The Company has not aggregated operating segments for purposes of identifying reportable segments.

Machine Clothing:

The Machine Clothing segment supplies permeable and impermeable belts used in the manufacture of paper, paperboard, tissue and towel products, nonwovens, fiber cement and for several other industrial applications. Paper machine clothing products are customized, consumable products of technologically sophisticated design that utilize polymeric materials in a complex structure. We manufacture belts for each section of the paper machine and for every grade of paper. We sell our MC products directly to customer end-users in countries across the globe. MC's products, manufacturing processes, and distribution channels are substantially the same in each region of the world in which we operate.

On August 31, 2023, the Company completed the acquisition of Heimbach GmbH ("Heimbach"), a privately-held manufacturer of paper machine clothing and technical textiles. The financial results of the acquired company are included in the Machine Clothing reportable segment.

Albany Engineered Composites:

The Albany Engineered Composites segment provides highly engineered, advanced composite structures to customers in the commercial and defense aerospace industries. The segment includes Albany Safran Composites, LLC ("ASC"), in which our customer, the SAFRAN Group ("SAFRAN") owns a 10 percent noncontrolling interest. AEC, through ASC, is the exclusive supplier to the LEAP program of advanced composite fan blades and fan cases under a long-term supply contract, where revenue is determined by a cost-plus-fee agreement. The LEAP engine is used on the Airbus A320neo, Boeing 737 MAX, and COMAC 919 aircraft. AEC's largest aerospace customer is the SAFRAN Group and sales to SAFRAN (consisting primarily of fan blades and cases for CFM International's LEAP engine) accounted for approximately 16 percent of the Company's consolidated Net revenues in 2023.

AEC net sales to SAFRAN were \$101.3 million and \$93.5 million in the first six months of 2024 and 2023, respectively. The total of Accounts receivable, Contract assets and Noncurrent receivables due from SAFRAN amounted to \$85.8 million and \$93.8 million as of June 30, 2024 and December 31, 2023, respectively.

Other significant programs for AEC include the Sikorsky CH-53K, F-35, JASSM, and Boeing 787 programs. AEC also supplies vacuum waste tanks for the Boeing commercial programs, and specialty components for the Rolls Royce lift fan on the F-35, as well as the fan case for the GE9X engine. For the year ended December 31, 2023, approximately 39 percent of AEC revenues were related to U.S. government contracts or programs.

The following tables show data by reportable segment, reconciled to consolidated totals included in the financial statements:

Second quarter 2024 results include Heimbach, which was acquired August 31, 2023. Heimbach contributed \$39.8 million and \$77.7 million of net revenues and \$0.5 million and \$(2.4) million of operating income/(loss) for the three and six months ended June 30, 2024, respectively.

Corporate expenses include global information system costs of \$8.1 million and \$6.8 million for the three months ended June 30, 2024 and 2023, respectively, and \$16.4 million and \$13.0 million for the six months ended June 30, 2024 and 2023, respectively.

Revenue Recognition:

Products and services provided under long-term contracts represent a significant portion of revenues in the Albany Engineered Composites segment and we account for these contracts over time, primarily using the percentage of completion (actual cost to estimated cost) method. That method requires significant judgment and estimation, which could be considerably different if the underlying circumstances were to change. When adjustments in estimated contract revenues or costs are required, any changes from prior estimates are included in earnings in the period the change occurs. Changes in the estimated profitability of long-term contracts could be caused by increases or decreases in the contract value, revisions to customer delivery requirements, updated labor or overhead rates, factors affecting the supply chain, changes in the evaluation of contract risks and opportunities, or other factors. Changes in the estimated profitability of long-term contracts decreased operating income by \$5.0 million for the second quarter of 2024 and decreased operating income \$7.6 million for the first half of 2024. Adjustments in the estimated profitability of long-term contracts decreased operating incomes by \$1.9 million and decreased operating income by \$4.0 million for the second quarter and first half of 2023, respectively.

We disaggregate revenue earned from contracts with customers for each of our business segments and product groups based on the timing of revenue recognition, and groupings used for internal review purposes.

We do not disclose the value of unsatisfied performance obligations for contracts with an original expected duration of one year or less. Contracts in the MC segment are generally for periods of less than a year and certain contracts in the AEC segment are relatively short duration firm-fixed-price orders. Remaining performance obligations on contracts that had an original duration of greater than one year totaled \$1.1 billion and \$792 million as of June 30, 2024 and 2023, respectively, and related primarily to firm fixed price contracts in the AEC segment. Of the remaining performance obligations as of June 30, 2024, we expect to recognize as revenue approximately \$86 million during 2024, \$191 million during 2025, \$155 million during 2026, and the remainder thereafter.

3. Pensions and Other Postretirement Benefit Plans

The Company has defined benefit pension plans covering certain U.S. and non-U.S. employees. The Company also provides certain postretirement benefits to retired employees in the U.S. and Canada. The Company accrues the cost of providing these benefits during the active service period of the employees.

The composition of the net periodic benefit cost/(income) for the six months ended June 30, 2024 and 2023, was as follows:

(in thousands)	Pension plans		Other postretirement benefits	
	2024	2023	2024	2023
Components of net periodic benefit cost/(income):				
Service cost	\$ 986	\$ 565	\$ 23	\$ 30
Interest cost	3,043	2,141	709	937
Expected return on assets	(2,698)	(1,955)	—	—
Amortization of prior service cost/(income)	(14)	(16)	(62)	(2,045)
Amortization of net actuarial loss	372	279	(18)	414
Net periodic benefit cost/(credit)	\$ 1,689	\$ 1,014	\$ 652	\$ (664)

The amount of net benefit cost/(credit) is determined at the beginning of each year and generally only varies from quarter to quarter when a significant event occurs, such as a curtailment or a settlement. There were no material curtailments or settlements during the first six months of 2024 or 2023.

Service cost for defined benefit pension and postretirement plans are reported in the same line item as other compensation costs arising from services rendered by the pertinent employees during the period. Other components of net periodic benefit cost are included in the line item Other (income)/expense, net in the Consolidated Statements of Income.

4. Restructuring

Restructuring costs at MC in the second quarter of 2024 were related primarily to actions taken to cease operations at the Company's MC forming fabric manufacturing facility in Chungju, South Korea. This led to a \$1.0 million charge to Restructuring expenses, net related to workforce reductions and a \$0.5 million charge recorded to Cost of goods sold for the write-off of inventory. We expect to incur additional restructuring expenses related to this action throughout the remainder of the year.

At AEC, restructuring activities were related to reductions in workforce at various AEC locations. Restructuring charges for the second quarter of 2023 were not significant.

The following table summarizes charges reported in the Consolidated Statements of Income under "Restructuring expenses, net":

(in thousands)	Three months ended June 30,		Six months ended June 30,

5. Other (Income)/Expense, net

The components of Other (income)/expense, net are:

	2024	2023	2024	2023
Currency transaction (gains)/losses	\$ 150	\$ (4,193)	\$ (1,142)	\$ (4,133)

Total other (income)/expense, net	\$ 5,657	\$ (4,511)	\$ 2,675	\$ (4,966)

Other (income)/expense, net, included foreign currency related transactions which resulted in losses of \$0.2 million and gains of \$1.1 million in the three and six months ended June 30, 2024, respectively, as compared to gains of \$4.2 million and \$4.1 million in the same period last year. In addition, changes in the fair value of derivative instruments included losses of \$4.4 million and \$4.3 million in the three and six months ended June 30, 2024, as compared to gains of \$0.1 million and \$0.1 million in the same period last year, driven by currency rate movements, most notably the Brazilian Real and Mexican Peso. Net periodic pension and postretirement costs, other than service costs, were \$0.7 million and \$1.3 million in the three and six months ended June 30, 2024, respectively, as compared to benefits of \$0.1 million and \$0.2 million in the same period last year. Other (income)/expense, net, also included net proceeds of \$0.5 million from the divestiture of assets related to Heimbach during the three and six months ended June 30, 2024, as well as bank fees, amortization of debt issuance costs, and rental income.

6. Income Taxes

The Company's effective income tax rate for the three and six months ended June 30, 2024 and 2023, is as follows:

	Three months ended June 30,		Six months ended June 30,	
	2024	2023	2024	2023
Effective income tax rate	27.9 %	42.8 %	28.6 %	36.3 %

Income tax expense for the quarter was computed in accordance with ASC 740-270, Income Taxes – Interim Reporting. Under this method, loss jurisdictions which cannot recognize a tax benefit with regard to their generated losses are excluded from the annual effective tax rate calculation and their taxes will be recorded discretely in each quarter.

Our 2024 estimated annual effective tax rate primarily reflects the 21% federal tax rate, the impact of state and local taxation, the impact of taxation upon foreign operations, and forecasted permanent differences. Our actual effective tax rates were 27.9% and 42.8% for the three months ended June 30, 2024 and 2023, respectively. Our actual effective tax rates were 28.6% and 36.3% for the six months ended June 30, 2024 and 2023, respectively.

The effective tax rate for the three months ended June 30, 2024 included a net discrete tax benefit of \$1.4 million, which decreased our effective tax rate by 4.2%. This discrete tax benefit is mostly attributable to the true-up of prior year estimated taxes and the release of an uncertain tax position due to a favorable audit settlement. The rate for the second quarter of 2024 was lower than the second quarter of 2023 mainly due to favorable discrete tax adjustments in the current period compared to unfavorable discrete tax adjustments in the prior period.

The effective tax rate for the six months ended June 30, 2024 included a net discrete tax benefit of \$2.5 million, which decreased our effective tax rate by 3.4%. This discrete tax benefit is mostly attributable to the true-up for prior year estimated taxes, an increase in the valuation allowance and a net decrease in uncertain tax positions. The rate for the six months ended June 30, 2024 was lower than the six months ended June 30, 2023 mainly due to favorable discrete tax adjustments in the current period compared to unfavorable discrete tax adjustments in the prior period.

The Company is subject to audit in the U.S. and various foreign jurisdictions. Our open tax years for major jurisdictions generally range from 2013-2024. We believe appropriate provisions for all outstanding tax issues have been made for all jurisdictions and all open years. Audit outcomes and the timing of audit settlements are subject to significant uncertainty. It is reasonably possible that within the next 12 months, unrecognized tax benefits could decrease by up to \$1.4 million based on current estimates.

On August 31, 2023, the Company acquired all the outstanding shares of Heimbach, a privately held manufacturer of paper machine clothing with headquarters in Düren, Germany. In July 2021, Heimbach acquired 85% of Arcari, SRL ("Arcari"). Arcari is a manufacturer of textile and plastic industrial technical products and conveyor belts. On the date of the acquisition, the fair value of the noncontrolling interest in Arcari was \$0.5 million. For the six months ended June 30, 2024, the net income/(loss) attributable to Arcari's noncontrolling interest was less than \$0.1 million and the noncontrolling interest balance at June 30, 2024 was \$0.6 million.

Accounts receivable, net includes Trade and other accounts receivable and Bank promissory notes, net of Allowance for expected credit losses. In connection with certain revenues in Asia, the Company accepts a bank promissory note as customer payment. The notes may be presented for payment at maturity, which is less than one year. As of June 30, 2024 and December 31, 2023, Accounts receivable consisted of the following:

The Company had Noncurrent receivables in the AEC segment that represent revenue earned, which had extended payment terms. In 2023, the payment terms were amended and the Noncurrent receivables are now included in Trade and other accounts receivable. As of June 30, 2024 and December 31, 2023, Noncurrent receivables consisted of the following:

11. Contract Assets and Liabilities

Contract assets include unbilled amounts typically resulting from revenues under contracts when the over time method of revenue recognition is utilized, and revenue recognized exceeds the amount billed to the customer. Contract assets are transferred to Accounts receivable, net when the entitlement to pay becomes unconditional and the customer is invoiced. Contract liabilities include advance payments and billings in excess of revenue recognized. Contract liabilities are included in Accrued liabilities in the Consolidated Balance Sheets.

Contract assets and Contract liabilities are reported on the Consolidated Balance Sheets in a net position on a contract-by-contract basis at the end of each reporting period.

As of June 30, 2024 and December 31, 2023, Contract assets and Contract liabilities consisted of the following:

(in thousands)	June 30, 2024	December 31, 2023
Contract assets	\$ 190,193	\$ 183,189
Allowance for expected credit losses	(951)	(908)

Contract liabilities	\$ 7,657	\$ 7,127

Contract assets, net increased \$7.0 million during the six months ended June 30, 2024. The modest increase was primarily due to an increase in unbilled revenue, primarily related to commercial and space programs. There were no impairment losses related to our Contract assets during the six months ended June 30, 2024 and June 30, 2023.

Contract liabilities decreased \$0.5 million during the six months ended June 30, 2024, primarily due to revenue recognized from satisfied performance obligations exceeding customer advance payments for commercial and defense programs. Revenue recognized for the six months ended June 30, 2024 and 2023 that was included in the Contract liability balance at the beginning of the year was \$3.8 million and \$11.7 million, respectively.

12. Inventories

Costs included in inventories are raw materials, labor, supplies and allocable depreciation and overhead. Raw material inventories are valued on an average cost basis. Other inventory cost elements are valued at cost, using the first-in, first-out method. The Company writes down the inventories for estimated obsolescence and to lower of cost or net realizable value based upon assumptions about future demand and market conditions. If actual demand or market conditions are less favorable than those projected by the Company, additional inventory write-downs may be required. Once established, the original cost of the inventory less the related write-down represents the new cost basis of such inventories.

As of June 30, 2024 and December 31, 2023, Inventories consisted of the following:

(in thousands)	June 30, 2024	December 31, 2023

In the second quarter of 2024, management performed the quantitative assessment approach in conducting its annual evaluation of goodwill and indefinite-lived trademark intangibles and concluded that no impairment provision was required. Our goodwill has been allocated to and is tested for impairment at a level referred to as the reporting unit, which management determined to be the business segment level. As part of the quantitative assessment, management used the income and market approach to determine fair value by considering projected cash flows and market multiples for the Machine Clothing reporting unit and the AEC reporting unit. Management performed the quantitative assessments and concluded that each reporting unit's fair value continued to significantly exceed its carrying value. In addition, there were no amounts at risk due to the estimated spread between the fair and carrying values. Accordingly, no impairment charges were recorded.

14. Financial Instruments

Debt principally consists of a revolving credit agreement and foreign bank debt assumed in the acquisition of Heimbach.

The following table represents the Company's outstanding debt:

(in thousands, except interest rates)	June 30, 2024	December 31, 2023
Borrowings under the Amended Credit Agreement(1)	\$ 370,000	\$ 446,000

Less: Current maturities of long-term debt	2,732	4,218
Long-term debt	\$ 374,325	\$ 452,667

(1) the credit facility matures in August 2028. At the end of June 30, 2024 and December 31, 2023, the interest rate in effect was 2.75% and 3.49%, respectively, including the effect of interest rate hedging transactions, as described below.

Amended Credit Agreement

On August 16, 2023, we entered into a \$800 million unsecured committed Five-Year Revolving Credit Facility Agreement (the "Amended Credit Agreement"). The applicable interest rate for borrowings under the Amended Credit Agreement is based on Term SOFR plus a spread, which is based on our leverage ratio (as defined in the Amended Credit Agreement) at the time of a borrowing as follows:

Leverage Ratio	Commitment Fee	ABR Spread	Term Benchmark/ Daily Simple SOFR Spread
<1.00:1.00	0.275%	0.500%	1.500%
≥ 1.00:1.00 and < 2.00:1.00	0.300%	0.625%	1.625%
≥ 2.00:1.00 and < 3.00:1.00	0.325%	0.750%	1.750%
≥ 3.00:1.00	0.350%	1.000%	2.000%

As of June 30, 2024, the applicable interest rate for borrowings under the Amended Credit Agreement was based on one-month term SOFR plus the spread, which was 1.625%.

As of June 30, 2024, there was \$370 million of borrowings outstanding under the Amended Credit Agreement and we had borrowings available of \$430 million, based on our maximum leverage ratio and our Consolidated EBITDA (as defined in the Amended Credit Agreement).

The Amended Credit Agreement contains customary terms including affirmative covenants, negative covenants and events of default. Under the Amended Credit Agreement, we are required to maintain a leverage ratio (as defined in the Credit Agreement) of not greater than 3.75 to 1.00, or 4.25 to 1.00 after a significant acquisition. We are also required to maintain a minimum interest coverage ratio (as defined in the Credit Agreement) of greater than 3.00 to 1.00.

As of June 30, 2024, our leverage ratio was 0.98 to 1.00 (as defined in the Amended Credit Agreement) and our interest coverage ratio was 14.70 to 1.00. If our leverage ratio exceeds 3.50 to 1.00, then we are restricted in paying dividends to a maximum amount of \$40 million in a calendar year. As of June 30, 2024, we were in compliance with all applicable covenants. We anticipate continued compliance in each of the next four quarters while continuing to monitor future compliance based on current and future economic conditions.

The borrowings are guaranteed by certain of the Company's subsidiaries, including all significant U.S. subsidiaries (subject to certain exceptions), as defined in the Amended Credit Agreement. Our ability to borrow additional amounts under the Amended Credit Agreement is conditional upon the absence of any defaults, as well as the absence of any material adverse change (as defined in the Amended Credit Agreement).

Interest Rate Swaps

In 2021, we entered into interest rate swap agreements for the period of October 17, 2022 through October 27, 2024. These transactions had the effect of fixing the LIBOR portion of the effective interest rate (before addition of the spread) on \$350 million of indebtedness. We amended the swap agreements on June 29, 2023 replacing the LIBOR (in preparation for the cessation of LIBOR) with SOFR and adjusting the spread.

We pay a fixed blended rate of 0.88% through October 27, 2024 on \$350 million and the counterparties pay a floating rate based on the one-month term SOFR at each monthly calculation date, which on June 17, 2024 was 5.33%. As of June 30, 2024, the all-in rate on the \$350M of debt was 2.51%. Upon the expiration of the interest rate swap on October 27, 2024, our interest cost will increase significantly. Beginning in October 2024, our interest cost will be calculated using a floating rate based on the one-month term SOFR.

The interest rate swaps are accounted for as a hedge of future cash flows, as further described in Note 15, *Fair-Value Measurements*. No cash collateral was received or pledged in relation to the swap agreements.

Foreign Bank Debt

On August 31, 2023, the Company acquired Heimbach. The Company assumed Heimbach's bank debt in the amount of \$32.7 million. The bank debt is held by several European financial institutions, with maturity dates ranging from February 1, 2025 to June 30, 2031. At June 30, 2024 and December 31, 2023, the foreign debt was \$7.1 million and \$10.9 million, respectively, of which \$2.7 million and \$4.2 million, respectively, was classified as Current maturities on long-term debt.

15. Fair-Value Measurements

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Company uses a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires the Company to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 - Quoted prices in active markets for identical assets or liabilities.
- Level 2 - Observable inputs other than quoted prices included in Level 1, such as quoted prices in markets that are not active or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Unobservable inputs that are supported by little or no market activity and are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

We had no Level 3 financial assets or liabilities at June 30, 2024 or at December 31, 2023, other than certain pension assets as indicated in our December 31, 2023 Annual Report on Form 10-K.

The following table presents the fair-value hierarchy for our Level 1 and Level 2 financial and non-financial assets and liabilities, which are measured at fair value on a recurring basis:

	June 30, 2024		December 31, 2023	
	Quoted prices in active markets (Level 1)	Significant other observable inputs (Level 2)	Quoted prices in active markets (Level 1)	Significant other observable inputs (Level 2)

Interest rate swaps	—	5,635	—	12,214

Foreign currency forward contracts	—	(2,790)	—	—

(a) Original cost basis \$0.5 million.

Cash equivalents include short-term securities that are considered to be highly liquid and easily tradable. These securities are valued using inputs observable in active markets for identical securities.

The interest rate swaps are accounted for as hedges of future cash flows. The fair value of our interest rate swaps is derived from a discounted cash flow analysis based on the terms of the contract and the interest rate curve, and is included in Other assets and/or Other noncurrent liabilities in the Consolidated Balance Sheets. Amounts determined to be due within one year are reclassified to Other current assets and/or Accrued liabilities in the Consolidated Balance Sheets. Unrealized gains and losses on the interest rate swaps flow through the caption Derivative valuation adjustment in the Shareholders' equity section of the Consolidated Balance Sheets. Amounts accumulated in Other comprehensive income are reclassified as interest expense/(income), net when the related interest payments (that is, the hedged forecasted transactions), affect earnings. Interest expense/(income) related to payments under the active swap agreements totaled \$(8.2) million for the six months ended June 30, 2024, and \$(6.9) million for the six months ended June 30, 2023.

We operate our business in many regions of the world, and currency rate movements can have a significant effect on operating results. Foreign currency instruments are entered into periodically and consist of foreign currency option contracts and forward contracts that are valued using quoted prices in active markets obtained from independent pricing sources. These instruments are measured using market foreign exchange prices and are recorded in the Consolidated Balance Sheets as Other current assets and Accrued liabilities, as applicable. Changes in fair value of these instruments are recorded as gains or losses within Other (income)/expense, net.

When exercised, the foreign currency instruments are net-settled with the same financial institution that bought or sold them. For all positions, whether options or forward contracts, there is a risk from the possible inability of the financial institution to meet the terms of the contracts and the risk of unfavorable changes in interest and currency rates, which may reduce the value of the instruments. We seek to mitigate risk by evaluating the creditworthiness of counterparties and by monitoring the currency exchange and interest rate markets while reviewing the hedging risks and contracts to ensure compliance with our internal guidelines and policies.

(Gains)/losses related to changes in fair value of derivative instruments that were recognized in Other (income)/expense, net in the Consolidated Statements of Income were as follows:

16. Commitments and Contingencies

Asbestos Litigation

Albany International Corp. is a defendant in suits brought in various courts in the United States by plaintiffs who allege that they have suffered personal injury as a result of exposure to asbestos-containing paper machine clothing synthetic dryer fabrics marketed during the period from 1967 to 1976 and used in certain paper mills. We were defending 3,623 claims as of June 30, 2024.

The following table sets forth the number of claims filed, the number of claims settled, dismissed or otherwise resolved, and the aggregate settlement amount during the periods presented:

(in thousands, except number of claims)	Opening Number of Claims	Claims Dismissed, Settled, or Resolved	New Claims	Closing Number of Claims	Amounts Paid to Settle or Resolve
For the period ended December 31, 2023	3,598	19	27	3,606	\$ 74
For the period ended June 30, 2024	3,606	5	22	3,623	\$ 10

We anticipate that additional claims will be filed against the Company and related companies in the future but are unable to predict the number and timing of such future claims. Due to the fact that information sufficient to meaningfully estimate a range of possible loss of a particular claim is typically not available until late in the discovery process, we do not believe a meaningful estimate can be made regarding the range of possible loss with respect to pending or future claims and therefore are unable to estimate a range of reasonably possible loss in excess of amounts already accrued for pending or future claims.

While we believe we have meritorious defenses to these claims, we have settled certain claims for amounts we consider reasonable given the facts and circumstances of each case. Our insurance carrier has defended each case and funded settlements under a standard reservation of rights. As of June 30, 2024, we had resolved, by means of settlement or dismissal, 38,046 claims at a total cost of \$10.7 million. Of this amount, almost 100% was paid by our insurance carrier, who has confirmed that we have approximately \$140 million of remaining coverage under primary and excess policies that should be available with respect to current and future asbestos claims.

The Company's subsidiary, Brandon Drying Fabrics, Inc. ("Brandon"), is also a separate defendant in many of the asbestos cases in which Albany is named as a defendant, despite never having manufactured any fabrics containing asbestos. While Brandon was defending against 7,676 claims as of June 30, 2024, only twelve claims have been filed against Brandon since January 1, 2012, and only \$15,000 in settlement costs have been incurred since 2001. Brandon was acquired by the Company in 1999 and has its own insurance policies covering periods prior to 1999. Since 2004, Brandon's insurance carriers have covered 100% of indemnification and defense costs, subject to policy limits and a standard reservation of rights.

In some of these asbestos cases, the Company is named both as a direct defendant and as the "successor in interest" to Mount Vernon Mills ("Mount Vernon"). We acquired certain assets from Mount Vernon in 1993. Certain plaintiffs allege injury caused by asbestos-containing products alleged to have been sold by Mount Vernon many

years prior to this acquisition. Mount Vernon is contractually obligated to indemnify the Company against any liability arising out of such products. We deny any liability for products sold by Mount Vernon prior to the acquisition of the Mount Vernon assets. Pursuant to its contractual indemnification obligations, Mount Vernon has assumed the defense of these claims. On this basis, we have successfully moved for dismissal in a number of actions.

We currently do not anticipate, based on currently available information, that the ultimate resolution of the aforementioned proceedings will have a material adverse effect on the financial position, results of operations, or cash flows of the Company. Although we cannot predict the number and timing of future claims, based on the foregoing factors, the trends in claims filed against us, and available insurance, we also do not currently anticipate that potential future claims will have a material adverse effect on our financial position, results of operations, or cash flows.

18. Business Combination

On August 31, 2023, the Company acquired all the outstanding shares of Heimbach, a privately-held manufacturer of paper machine clothing with headquarters in Düren, Germany. For the three and six months ended June 30, 2024, there were no material adjustments to the assets acquired and liabilities assumed.

19. Subsequent Events

We evaluated subsequent events through the issuance date of these financial statements in Form 10-Q. No material subsequent events were identified that require disclosure.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Management's Discussion and Analysis ("MD&A") is intended to help the reader understand the results of operations and financial condition of the Company. MD&A is provided as a supplement to, and should be read in conjunction with, our Consolidated Financial Statements and the accompanying Notes.

Forward-looking Statements

This quarterly report and the documents incorporated or deemed to be incorporated by reference in this quarterly report contain statements concerning our future results and performance and other matters that are "forward-looking" statements within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The words "believe," "expect," "anticipate," "intend," "estimate," "project," "forecast," "look for," "will," "should," "guidance," "guide" and similar expressions identify forward-looking statements, which generally are not historical in nature. Because forward-looking statements are subject to certain risks and uncertainties, (including, without limitation, those set forth in the Company's most recent Annual Report on Form 10-K or prior Quarterly Reports on Form 10-Q) actual results may differ materially from those expressed or implied by such forward-looking statements.

There are a number of risks, uncertainties, and other important factors that could cause actual results to differ materially from the forward-looking statements, including, but not limited to:

- Conditions in the industries in which our Machine Clothing and Albany Engineered Composites segments compete, along with the general risks associated with macroeconomic conditions, including higher interest rates, inflationary pressures, or the effects of another pandemic, for an extended period of time;
- Across the entire Company, increasing labor, raw material, energy, and logistics costs due to supply chain constraints and inflationary pressures. These challenges have only increased as a result of the ongoing Russia-Ukraine war and the conflict in the Middle East;
- Harm caused by changes in our relationships or contracts with suppliers and customers;
- In the Machine Clothing segment, greater than anticipated declines in the demand for publication grades of paper, or lower than anticipated growth in other paper grades;
- In the Albany Engineered Composites segment, longer-than-expected timeframe for the aerospace industry to utilize existing inventories, unanticipated reductions in demand, delays, technical difficulties, and cancellations in aerospace programs that are expected to generate revenue and drive long-term growth;
- Inability of our Machine Clothing or Albany Engineered Composite segments to create additional production capacity in a timely manner or the occurrence of other manufacturing or supply difficulties (including as a result of geopolitical crises, natural disaster, public health crises and epidemics/pandemics, regulatory or otherwise);
- Changes in geopolitical conditions impacting countries where the Company does or intends to do business;
- Failure to achieve or maintain anticipated profitable growth;
- Failure to achieve our strategic initiatives and other goals, including, but not limited to, our sustainability goals;
- In the Albany Engineered Composites segment, the estimates and expectations based on aircraft production rates provided by Airbus, Boeing and others;
- In the Albany Engineered Composites segment, risks and uncertainties associated with the successful implementation and ramp up of significant new programs, including the ability to manufacture the products to the detailed specifications required and recover start-up costs and other investments in the programs;
- Adverse impacts from inflation, an economic slowdown or recession and by disruption in capital and credit markets that might impede our access to credit, increase our borrowing costs and impair the financial soundness of our customers and suppliers;

- Risks and uncertainties associated with the successful integration of our Heimbach Group acquisition;
- Expectations regarding our ability to attract, motivate, and retain the workforce necessary to execute our business strategy;
- Adverse impacts from fluctuations in foreign currency exchange rates;
- Harm caused by large customer purchase reductions, payment defaults or contract non-renewal;
- In the Albany Engineered Composites segment, our contracts with government entities involve future funding and compliance risks;
- Costly and disruptive legal disputes and settlements;
- Future levels of indebtedness and capital expenditures;
- Adverse impacts from changes in tax legislation or challenges to our tax positions;
- Cybersecurity incidents or significant computer system compromises or data breaches;
- Significant problems with information systems or networks;
- Failure to adequately integrate Heimbach into our business systems and processes within the expected timeframe or, failure to or delayed realization of anticipated benefits of the acquisition could adversely impact the Company's business, financial condition and results of operations; and
- Other risks and uncertainties detailed in this report and other periodic reports.

Further information concerning important factors that could cause actual events or results to be materially different from the forward-looking statements can be found in "Business Environment Overview and Trends" sections of this quarterly report, as well as in Item 1A-"Risk Factors" section of our most recent Annual Report on Form 10-K. Although we believe the expectations reflected in our other forward-looking statements are based on reasonable assumptions, it is not possible to foresee or identify all factors that could have a material and negative impact on our future performance. The forward-looking statements included or incorporated by reference in this report are made on the basis of our assumptions and analyses, as of the time the statements are made, in light of our experience and perception of historical conditions, expected future developments, and other factors believed to be appropriate under the circumstances.

Except as otherwise required by the federal securities laws, we disclaim any obligations or undertaking to publicly release any updates or revisions to any forward-looking statement contained or incorporated by reference in this report to reflect any change in our expectations with regard thereto or any change in events, conditions, or circumstances on which any such statement is based.

Business Environment Overview and Trends

During the second quarter of 2024, the MC segment continued to see challenges in Europe, and, to a lesser degree, softness in North America and China. However, our global backlog remains stable. The integration of Heimbach continues to be on track with our internal plans. We transitioned Heimbach's PMC businesses onto our SAP platform in July, an integral step to integrate Heimbach into the MC business.

The AEC segment continues to increase production levels on commercial, defense, and space programs. For the first half of 2024, the AEC segment has been awarded over \$900 million in awards mostly on defense programs, and modest awards on commercial and space programs. While both major large aircraft manufacturers, Boeing and Airbus SE, had earlier announced increases in build rates in 2024 compared to 2023, due to continued quality issues at Boeing, Boeing has slowed their production rate on 737 MAX. Additionally, Airbus SE has given indications that their expected ramp on the A320 will be pushed out beyond previous expectations. We have decreased our LEAP production forecast for the remainder of 2024 and we are working with our customer, Safran, to determine the appropriate production volumes for our LEAP production into 2025.

Also, please refer to the Business Environment Overview and Trends in the Management's Discussion and Analysis of Financial Condition and Results of Operations in our Annual Report on Form 10-K for the year ended December 31, 2023. Three month comparison

Net revenues increased 21.1% compared to the same period in 2023, driven by \$39.8 million of Net revenues from the Heimbach acquisition and higher Net revenues in AEC, partially offset by lower organic Net revenues at MC.

MC's Net revenues increased 21.6% compared to the second quarter of 2023, driven by Heimbach Net revenues of \$39.8 million. This was partially offset by \$4.3 million of lower Net revenues in the rest of the segment, due to decreased sales in pulp, packaging and publication grades, net of increased sales in tissue grades and engineered fabrics. Changes in currency translation rates had the effect of decreasing Net revenues \$1.1 million.

AEC's Net revenues increased 20.5%, primarily driven by growth on CH-53K, Boeing 787 Frames, and other commercial and space programs. Changes in currency translation rates had had an insignificant effect on Net revenues.

Six month comparison

Net revenues increased 18.8% compared to the same period in 2023, driven by \$77.7 million of Net revenues from the Heimbach acquisition and higher Net revenues in AEC, partially offset by lower organic Net revenues at MC.

MC's Net revenues increased 21.2% compared to the same period in 2023, driven by Heimbach Net revenues of \$77.7 million. This was partially offset by \$9.6 million of lower Net revenues in the rest of the segment, driven primarily by weakness in publication globally, and in most grades in Europe, as well as decreased sales in packaging grades. Changes in currency translation rates had the effect of decreasing Net revenues \$1.7 million.

AEC's Net revenues increased 15.5%, primarily driven by growth on commercial and space programs, including Boeing 787 Frames, as well as growth on certain defense programs, including CH-53K. Changes in currency translation rates had an insignificant effect on Net revenues.

Gross Profit

The following table summarizes Gross profit by business segment:

% of Net revenues	33.9 %	37.5 %	34.3 %	37.2 %

Three month comparison

The increase in 2024 Gross profit, as compared to the same period last year, was driven by higher sales in both segments. Gross profit as a percentage of revenues was as follows:

- MC's gross profit margin decreased from 50.8% in 2023 to 45.9% in 2024. This margin decrease was primarily attributable to lower gross margin at Heimbach. Excluding Heimbach, MC's gross profit margin increased to 51.7% in 2024.
- AEC's gross profit margin decreased from 19.0% in 2023 to 17.0% in 2024, driven primarily by changes in the estimated profitability of long-term contracts, which decreased gross profit by \$5.0 million in 2024, as compared to a decrease of \$1.9 million during the same period last year.

Six month comparison

The increase in Gross profit during the first half of 2024, as compared to the same period in 2023, was driven by higher sales in both segments. Gross profit as a percentage of revenues was as follows:

- MC's gross profit margin decreased from 50.8% in 2023 to 45.8% in 2024. This margin decrease was primarily attributable to lower gross margin at Heimbach. Excluding Heimbach, MC's gross profit margin increased to 51.9% in 2024.
- AEC's gross profit margin decreased from 18.7% in 2023 to 17.8% in 2024, driven primarily by changes in the estimated profitability of long-term contracts, which decreased gross profit by \$7.6 million in 2024, as compared to a decrease of \$4.0 million during the same period last year, partially offset by a favorable shift in revenue mix.

Selling, General, and Administrative ("SG&A")

Three month comparison

Consolidated SG&A expenses increased 18.7% as compared to 2023, however, as a percentage of Net revenues, SG&A expenses decreased from 17.0% in 2023 to 16.7% in 2024.

- MC SG&A expenses increased \$5.9 million as compared to 2023, with a \$7.4 million increase related to Heimbach, offset by a \$1.5 million decrease due to changes in currency translation rates.
- In AEC, SG&A expenses remained largely in line with the prior year, decreasing \$0.4 million.
- Corporate SG&A expenses increased \$3.2 million, principally due to Heimbach IT-related costs and acquisition and integration related expenses.

Six month comparison

Consolidated SG&A expenses increased 15.9% as compared to 2023, however, as a percentage of Net revenues, SG&A expenses decreased from 17.5% in 2023 to 17.1% in 2024.

The overall increase in SG&A expenses in the first six months of 2024, compared to the same period in 2023, was due to the net effect of the following:

- MC SG&A expenses increased \$11.9 million as compared to 2023, of which \$16.5 million of the increase related to Heimbach. Excluding Heimbach, MC's SG&A decreased \$4.6 million, driven primarily by changes in currency translation rates, which reduced expense by \$4.9 million, partially offset by higher employee-related compensation.
- In AEC, SG&A expenses remained largely in line with the prior year, decreasing \$0.4 million.
- Corporate SG&A expenses increased \$3.7 million, principally due to Heimbach IT-related costs and acquisition and integration related expenses.

Technical and Research

The following table summarizes technical and research expenses by business segment:

% of Net revenues	3.6 %	3.8 %	3.8 %	3.8 %

Three month comparison

Consolidated Technical and research expenses increased 14.9% as compared to 2023, and as a percentage of Net revenues decreased from 3.8% in 2023 to 3.6% in 2024.

- MC Technical and research expenses increased \$1.1 million as compared to 2023, of which \$1.6 million was due to the addition of Heimbach. Excluding Heimbach, material and labor costs were lower as compared to the prior year, driving the decrease in expenses.
- AEC Technical and research expenses increased \$0.4 million as compared to 2023, due to increases in research material and labor costs.

Six month comparison

Consolidated Technical and research expenses increased 19.1% as compared to 2023, but as a percentage of Net revenues remained unchanged at 3.8% in both 2023 and 2024.

- MC Technical and research expenses increased \$2.8 million as compared to 2023, of which \$3.1 million was due to the addition of Heimbach. Excluding Heimbach, labor costs were lower as compared to the prior year, driving decreases in expenses.
- AEC Technical and research expenses increased \$1.1 million as compared to 2023, due to increases in research material and labor costs.

Restructuring Expense, net

In addition to the items discussed above affecting Gross profit, SG&A and Technical and research expenses, Operating income was affected by restructuring expense, net, of \$2.1 million in the three months ended June 30, 2024, compared to \$0.1 million in the same period of 2023; and \$4.3 million in the six months ended June 30, 2024, compared to \$0.1 million in the same period in 2024.

The following table summarizes Restructuring expenses, net by business segment:

(in thousands, except percentages)	Three months ended June 30,		Six months ended June 30,	
	2024	2023	2024	2023
Machine Clothing	\$ 1,066	\$ 125	\$ 1,087	\$ 145

Corporate expenses	115	—	115	—
Consolidated total	\$ 2,103	\$ 125	\$ 4,312	\$ 145

Restructuring expenses, net in the second quarter of 2024 at MC were primarily related to actions taken to cease operations at the Company's MC forming fabric manufacturing facility in Chungju, South Korea. This led to a \$1.0 million charge to Restructuring expenses, net related to workforce reductions, as well as a \$0.5 million charge to Cost of goods sold for the write-off of inventory. We expect to incur additional restructuring expenses related to this action throughout the remainder of the year.

At AEC, restructuring activities were related to reductions in the workforce at various AEC locations, which resulted in restructuring expenses of \$0.9 million during the second quarter and \$3.1 million during the first half of 2024.

Restructuring expenses incurred at MC and AEC during 2023 were not significant.

Operating Income

The following table summarizes operating income/(loss) by business segment:

Other (Income)/Expense, net

Other (income)/expense, net, included foreign currency related transactions which resulted in losses of \$0.2 million and gains of \$1.1 million in the three and six months ended June 30, 2024, respectively, as compared to gains of \$4.2 million and \$4.1 million in the same period last year. In addition, changes in the fair value of derivative instruments included losses of \$4.4 million and \$4.3 million in the three and six months ended June 30, 2024, as compared to gains of \$0.1 million and \$0.1 million in the same period last year, driven by currency rate movements, most notably the Brazilian Real and Mexican Peso. Net periodic pension and postretirement costs, other than service costs, were \$0.7 million and \$1.3 million in the three and six months ended June 30, 2024, respectively, as compared to benefits of \$0.1 million and \$0.2 million in the same period last year. Other (income)/expense, net, also included net

proceeds of \$0.5 million from the divestiture of assets related to Heimbach during the three and six months ended June 30, 2024, as well as bank fees, amortization of debt issuance costs, and rental income.

Effective Income Tax Rate

	Three months ended June 30,		Six months ended June 30,	
	2024	2023	2024	2023
Effective income tax rate	27.9 %	42.8 %	28.6 %	36.3 %

The Company has operations that constitute a taxable presence in 22 countries outside of the United States. The majority of these countries had income tax rates that were above the United States federal tax rate of 21 percent during the periods reported. The jurisdictional location of earnings is a significant component of our effective tax rate each year. The rate impact of this component is influenced by the specific location of non-U.S. earnings and the level of our total earnings. From period to period, the jurisdictional mix of earnings can vary as a result of operating fluctuations in the normal course of business, as well as the extent and location of other income and expense items, such as pension settlement and restructuring charges.

The tax rate is affected by recurring items, such as the income tax rate in the U.S. and non-U.S. jurisdictions and the mix of pre-tax income earned in those jurisdictions. The tax rate is also affected by U.S. tax costs on foreign pre-tax earnings, and by discrete items that may occur in any given year but are not consistent from year to year. The Company's effective tax rate for the second quarter of 2024 was 27.9%, lower compared to 42.8% for the same period in 2023, mainly due to favorable discrete tax adjustments in the current period compared to unfavorable discrete tax adjustments in the prior period. For the first half of 2024, the Company's effective tax rate was 28.6%, lower compared to 36.3% for the same period in 2023, mainly due to favorable discrete tax adjustments in the current period compared to unfavorable discrete tax adjustments in the prior period. For more information, see Note 6, *Income Taxes*, in the Notes to the Consolidated Financial Statements.

The Organization for Economic Co-operation and Development has issued Pillar Two model rules introducing a new global minimum tax of 15 percent intended to be effective on January 1, 2024. While the U.S. has not yet adopted the Pillar Two rules, various other governments around the world are enacting legislation. As currently designed, Pillar Two will ultimately apply to our worldwide operations. Although we do not expect these rules to materially increase our global tax costs in 2024, there remains uncertainty as to the final Pillar Two model rules. We will continue to monitor U.S. and global legislative action related to Pillar Two for potential impacts.

Segment Results of Operations

Machine Clothing Segment

The MC segment accounted for 58% and 59% of our consolidated revenues during the three and six months ended June 30, 2024, respectively. A summary of selected financial results for MC is as follows:

(in thousands, except percentages)	Three months ended June 30,		Six months ended June 30,	
	2024	2023	2024	2023
Net revenues	\$ 193,578	\$ 159,217	\$ 378,795	\$ 312,439

% of Net revenues	45.9 %	50.8 %	45.8 %	50.8 %
SG&A expenses	26,618	20,682	55,622	43,755
Technical and research expenses	7,504	6,386	15,024	12,184
Operating income	53,685	53,726	101,795	102,690

Net Revenues

For the three months ended June 30, 2024, Net revenues increased by 21.6% as compared to the prior year, driven by Heimbach Net revenues of \$39.8 million. This was partially offset by \$4.3 million of lower Net revenues in the rest of the segment, driven primarily by decreased sales in pulp, packaging and publication grades, net of increased sales in tissue grades and engineered fabrics. Changes in currency translation rates had the effect of decreasing Net revenues \$1.1 million.

For the six months ended June 30, 2024, Net revenues increased by 21.2% as compared to the prior year, driven by Heimbach Net revenues of \$77.7 million. This was partially offset by \$9.6 million of lower Net revenues in the rest of the segment, driven primarily by weakness in publication globally, and in most grades in Europe, as well as decreased sales in packaging grades. Changes in currency translation rates had the effect of decreasing Net revenues \$1.7 million.

Gross Profit

For the three months ended June 30, 2024, Gross profit increased by \$8.0 million as compared to the same period in the prior year, driven by the higher sales noted above; however, gross profit margin decreased from 50.8% in 2023 to 45.9% in 2024. This margin decrease was primarily driven by lower gross margins at Heimbach. Excluding Heimbach, MC's gross profit margins increased to 51.7% in 2024.

For the six months ended June 30, 2024, Gross profit increased by \$14.8 million as compared to the same period in the prior year, driven by the higher sales noted above; however, gross profit margin decreased from 50.8% in 2023 to 45.8% in 2024. This margin decrease was primarily driven by lower gross margins at Heimbach. Excluding Heimbach, MC's gross profit margins increased to 51.9% in 2024.

Operating Income

For the three months ended June 30, 2024, Operating income was largely in line with the prior year. The addition of Heimbach increased SG&A expenses by \$7.4 million and increased Technical and research expenses by \$1.6 million. Excluding Heimbach, SG&A decreased \$1.5 million and Technical and research expenses decreased \$0.5 million, driven primarily by changes in currency translation rates and reduced material and labor costs.

For the six months ended June 30, 2024, Operating income decreased \$0.9 million, principally due to lower gross profit margins and higher SG&A and Technical and research expenses from the Heimbach acquisition. The addition of Heimbach increased SG&A expenses by \$16.3 million and increased Technical and research expenses by \$3.1 million. Excluding Heimbach, SG&A decreased \$4.9 million due to changes in currency translation rates, partially offset by higher employee-related compensation, and Technical and research expenses decreased \$0.3 million, driven by reduced labor costs.

Albany Engineered Composites ("AEC") Segment

The AEC segment accounted for 42% and 41% of our consolidated revenues during the three and six months ended June 30, 2024, respectively. A summary of selected financial results for AEC is as follows:

Review of Operations

(in thousands, except percentages)	Three months ended June 30,		Six months ended June 30,	
	2024	2023	2024	2023
Net revenues	\$ 138,416	\$ 114,906	\$ 266,529	\$ 230,780
Gross profit	23,510	21,785	47,541	43,248
% of Net revenues	17.0 %	19.0 %	17.8 %	18.7 %
SG&A expenses	8,798	9,185	16,308	16,751
Technical and research expenses	4,356	3,932	9,501	8,411
Operating income	9,434	8,668	18,622	18,086

Net Revenues

For the three months ended June 30, 2024, Net revenues increased 20.5% as compared to the prior year, driven by growth on CH-53K, Boeing 787 Frames, and other commercial and space programs. Changes in currency translation rates had an insignificant effect on Net revenues.

For the six months ended June 30, 2024, Net revenues increased 15.5%, primarily driven by growth on commercial and space programs, including Boeing 787 Frames, as well as growth on certain defense programs, including CH-53K. Changes in currency translation rates had an insignificant effect on Net revenues.

AEC has contracts with certain customers, including its contract for the LEAP program, where revenue is determined by a cost-plus-fee agreement. Revenue earned under these arrangements accounted for approximately 40 percent of segment revenue for the first six months of 2024 and 2023.

In addition, AEC has long-term contracts in which the selling price is fixed. In accounting for those contracts, we estimate the profit margin expected at the completion of the contract and recognize a pro-rata share of that profit during the course of the contract using a cost-to-cost approach. Changes in estimated contract profitability will affect revenue and gross profit when the change occurs, which could have a significant favorable or unfavorable effect on revenue and gross profit in any reporting period. For contracts with anticipated losses, a provision for the entire amount of the estimated remaining loss is charged against income in the period in which the loss becomes known. Contract losses are determined considering all direct and indirect contract costs, exclusive of any selling, general or administrative cost allocations, which are treated as period expenses. Expected losses on projects include losses on contract options that are probable of exercise, excluding profitable options that often follow.

Gross Profit

For the three months ended June 30, 2024, Gross profit increased \$1.7 million as compared to the same period last year, and as a percentage of revenues decreased from 19.0% in 2023 to 17.0% in 2024. The decrease in profit margin was driven primarily by unfavorable changes in the estimated profitability of long-term contracts as noted below.

For the six months ended June 30, 2024, Gross profit increased \$4.3 million as compared to the same period last year, and gross profit margin decreased from 18.7% in 2023 to 17.8% in 2024. The decrease in profit margin was driven primarily by unfavorable changes in the estimated profitability of long-term contracts as noted below, partially offset by a favorable shift in revenue mix.

Operating Income

For the three months ended June 30, 2024, Operating income increased \$0.8 million, principally due to an increase of \$23.5 million in Net revenues and an increase of \$1.7 million in Gross profit, offset by restructuring expenses of \$0.9 million, as described above.

For the six months ended June 30, 2024, Operating income increased \$0.5 million, principally due to an increase of \$35.7 million in Net revenues, an increase of \$4.3 million in Gross profit, and a reduction of \$0.4 million in SG&A, offset by an increase of \$1.1 million in Technical and research expenses and restructuring expenses of \$3.1 million, as described above.

Changes in the estimated profitability of long-term contracts decreased operating income by \$5.0 million for the second quarter of 2024 and decreased operating income \$7.6 million for the first half of 2024. For the 2023 year, adjustments in the estimated profitability of long-term contracts decreased operating income by \$1.9 million in the second quarter and decreased operating income by \$4.0 million for the first half of the year.

(a) Includes Accounts receivable, Contract assets, Inventories, Accounts payable, and Accrued liabilities.

Net cash provided by operating activities during the first six months of 2024 was \$93.0 million, compared to \$14.7 million in the same period last year. The increase was primarily driven by improved levels of working capital at both

segments, but was most pronounced at AEC, which invested a much more significant amount in working capital during 2023 related to the expanded CH-53K scope of work and the build-up of inventory in the LEAP program as compared to 2024.

Net cash used in investing activities primarily included capital expenditures totaling \$45.6 million and \$35.0 million for the first six months of 2024 and 2023, respectively, including investments in new aerospace programs and to improve productivity in our MC segment.

Net cash used in financing activities during 2024 was \$98.2 million as compared to net cash provided by financing activities of \$29.3 million in 2023. The change was primarily due to lower borrowings and a significant increase in principal payments on debt during 2024.

Liquidity and Capital Structure

We finance our business activities principally with cash generated from operations and borrowings, largely through our revolving credit agreement as discussed below. Our subsidiaries outside of the United States may also maintain working capital lines with local banks.

Under our \$800 million unsecured committed Amended Credit Agreement, \$370.0 million of borrowings were outstanding as of June 30, 2024. In addition, we have borrowings outstanding at our newly acquired Heimbach subsidiary of \$7.1 million, of which \$2.7 million was considered current.

As of June 30, 2024, we had cash and cash equivalents of \$116.4 million and available borrowings under our Amended Credit Agreement of \$430.0 million, for a total liquidity of approximately \$546.4 million. We believe cash flows from operations and the availability of funds under our Amended Credit Agreement will be adequate to fund our operations and business needs over the next twelve months. For more information on credit agreements, see *Note 14. Financial Instruments* in the Notes to Consolidated Financial Statements.

As of June 30, 2024, \$100.2 million of our total cash and cash equivalents were held by non-U.S. subsidiaries. The accumulated undistributed earnings of the Company's foreign operations not targeted for repatriation to the U.S. were in excess of \$120.0 million, as of June 30, 2024 and are intended to remain indefinitely invested in foreign operations. Our cash planning strategy includes repatriating current earnings in excess of working capital requirements from certain countries in which our subsidiaries operate. While we have been successful in such endeavor to date, there can be no assurance that we will be able to cost effectively repatriate funds in the future. Repatriating such cash from certain jurisdictions, which is currently considered to be indefinitely reinvested in foreign operations, may also result in additional taxes.

We have also returned cash to shareholders through dividends and share repurchases. During the first six months of 2024, we paid \$16.2 million in dividends and had no share repurchases.

Off-Balance Sheet Arrangements

The Company is party to certain off-balance sheet arrangements, including certain guarantees. The Company provides financial assurance, such as payment guarantee and letters of credit and surety bonds, primarily to support workers' compensation programs and customs clearance, of less than \$12 million. There were no material changes in the Company's off-balance sheet arrangements during 2024.

Item 3. Quantitative and Qualitative Disclosures about Market Risk

We have market risk with respect to foreign currency exchange rates and interest rates. The market risk is the potential loss arising from adverse changes in these rates as discussed below.

Foreign Currency Exchange Rate Risk

We have manufacturing plants and sales transactions worldwide and therefore are subject to foreign currency risk. This risk is composed of both potential losses from the translation of foreign currency financial statements and the remeasurement of foreign currency transactions. To manage this risk, we periodically enter into forward exchange contracts either to hedge the net assets of a foreign investment or to provide an economic hedge against future cash flows. The total net assets of non-U.S. operations and long-term intercompany loans denominated in nonfunctional currencies subject to potential loss amount to approximately \$663.2 million. The potential loss in fair value resulting from a hypothetical 10% adverse change in quoted foreign currency exchange rates amounts to \$66.3 million. Furthermore, related to foreign currency transactions, we have exposure to various nonfunctional currency balances totaling \$128.8 million. This amount includes, on an absolute basis, exposures to assets and liabilities held in currencies other than our local entities' functional currencies. On a net basis, we had \$27.8 million of foreign currency assets as of June 30, 2024. As currency rates change, these nonfunctional currency balances are revalued, and the corresponding adjustment is recorded in the income statement. A hypothetical change of 10% in currency rates could result in an adjustment to the income statement of approximately \$2.8 million. Actual results may differ from these estimates.

Interest Rate Risk

We are exposed to interest rate fluctuations with respect to our variable rate debt, depending on general economic conditions.

On June 30, 2024, we had the following variable rate debt:

(in thousands, except interest rates)	
Current Maturities of Long-Term Debt	
Foreign Bank Debt	\$ 477
Long-term debt	
Credit agreement with borrowings outstanding, net of fixed rate portion, at an end of period interest rate of 7.06% in 2024, due in 2028	\$ 20,000
Foreign Bank Debt	33
Total	\$ 20,510

Assuming borrowings were outstanding for an entire year, an increase of one percentage point in weighted average interest rates would increase interest expense by \$0.2 million. To manage interest rate risk, we may periodically enter into interest rate swap agreements to effectively fix the interest rates on variable debt to a specific rate for a period of time. Our current interest rate swap agreements expire in October 2024, which will result in a significant increase in our interest cost, which will be calculated using a floating rate based on the one-month term SOFR at that time, which was 5.33% as of June 30, 2024. (See *Note 14. Financial Instruments* in the Notes to the Consolidated Financial Statements in Item 1, which is incorporated herein by reference).

Item 4. Controls and Procedures

a) Disclosure controls and procedures.

The principal executive officer and principal financial officer, based on their evaluation of disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) as of the end of the period covered by this Quarterly Report on Form 10-Q, have concluded that the Company's disclosure controls and procedures are effective for ensuring that information required to be disclosed in the reports that it files or submits under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed in filed or submitted reports is accumulated

and communicated to the Company's management, including its principal executive officer and principal financial officer as appropriate, to allow timely decisions regarding required disclosure.

(b) Changes in internal control over financial reporting.

There was no change in the Company's internal control over financial reporting (as defined in Rule 13a-15(f) and 15d-15(f) under the Securities Exchange Act of 1934, as amended) during the last fiscal quarter that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

Item 1A. Risk Factors

There have been no material changes from the risk factors previously disclosed in our Annual Report on Form 10-K for the year ended December 31, 2023.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

We made no share purchases during the second quarter of 2024.

On October 25, 2021, the Company's Board of Directors authorized the Company to repurchase shares of up to \$200 million through open market purchases, privately negotiated transactions or otherwise, and to determine the prices, times and amounts. The program does not obligate the Company to acquire any particular amount of common stock, and it may be suspended or terminated at any time at the Company's discretion. The share repurchase program does not have an expiration date. The timing and amount of any share repurchases will be based on the Company's liquidity, general business and market conditions, debt covenant restrictions and other factors, including alternative investment opportunities and capital structure. In total, the Company has repurchased 1,308,003 shares for a total cost of \$109.4M, of which 1,022,717 shares were repurchased in 2022 for \$85.1 million and 285,286 shares were repurchased in 2021 for \$24.3 million. We currently remain authorized to repurchase shares of up to \$90.6 million.

Item 3. Defaults Upon Senior Securities

Item 4. Mine Safety Disclosures

Not Applicable.

Item 5. Other Information

WHEREAS, reference is made to that certain Amended and Restated Credit Agreement, dated as of August 16, 2023 (the "Existing Credit Agreement"), among the Company, Albany International Holding (Switzerland) AG, Albany International Europe GMBH, Albany International Canada Corp., the other Borrowing Subsidiaries party thereto, the Lenders party thereto and JPMorgan Chase Bank, N.A., as the administrative agent (in such capacity, the "Administrative Agent").

WHEREAS, in view of the occurrence of a Benchmark Transition Event (as defined in the Existing Credit Agreement) with respect to the CDO Rate (as defined in the Existing Credit Agreement), the Administrative Agent and the Company have selected the Adjusted Term CORRA as the Benchmark Replacement (as defined in the Existing Credit Agreement) with respect to the CDO Rate.

WHEREAS, the Administrative Agent has provided a copy of this Amendment to each of the Lenders on June 21, 2024 and the Administrative Agent has not received, within five Business Days of June 21, 2024, a written notice from the Required Lenders stating that the Required Lenders object to the replacement of the CDO Rate with the Adjusted Term CORRA.

WHEREAS, in accordance with Section 2.13(b)(i) of the Existing Credit Agreement, the replacement of the CDO Rate with the Adjusted Term CORRA will become effective on the Benchmark Replacement Date with respect to the CDO Rate, with such effectiveness requiring no further action or consent of any other party to the Existing Credit Agreement or any other Loan Document.

WHEREAS, in accordance with Section 2.13(b)(ii) of the Existing Credit Agreement, the Administrative Agent desires to amend the Existing Credit Agreement on the terms set forth herein (the Existing Credit Agreement, as amended by this Amendment the "Amended Credit Agreement") to implement the Benchmark Replacement Conforming Changes, with the effectiveness of such amendment requiring no further action or consent of any other party to the Existing Credit Agreement or any other Loan Document.

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Defined Terms. Capitalized terms used but not otherwise defined herein (including in the preamble and recitals hereto) have the meanings assigned to them in the Amended Credit Agreement.

SECTION 2. Amendment of the Existing Credit Agreement. (a) Effective as of the First Amendment Effective Date (as defined below):

(i) The Existing Credit Agreement (excluding the Schedules and, except as set forth in clause (ii) below, Exhibits thereto) is hereby amended by inserting the language indicated in single underlined text (indicated textually in the same manner as the following examples: single-underlined text or single-underlined text) and by deleting the language indicated by strikethrough text (indicated textually in the same manner as the following example: ~~stricken-text~~ or ~~stricken text~~) as set forth in Exhibit A attached hereto; and

(b) Notwithstanding the foregoing or anything else to the contrary set forth herein or in the Amended Credit Agreement, until the expiration of the Interest Period (as defined in the Existing Credit Agreement) applicable thereto on the Benchmark Replacement Date with respect to the CDO Rate, each Loan bearing interest at the CDO Rate (each, an “Existing CDOR Loan”) outstanding on such Benchmark Replacement Date shall, until the expiration of the Interest Period applicable to such Existing CDOR Loan on such Benchmark Replacement Date, remain outstanding as such and accrue interest, which shall be due and payable, in each case in accordance with the CDO Rate-related provisions and all other provisions of the Existing Credit Agreement applicable to such Existing CDOR Loan (without giving effect to any of the amendments contemplated in the Amended Credit Agreement). If still outstanding on the date of the expiration of such Interest Period, such Existing CDOR Loan shall be converted into a Term CORRA Loan (having such initial Interest Period as shall be specified therefor by the applicable Borrower in a Borrowing Request delivered in accordance with Section 2.03 of the Amended Credit Agreement) on the last day of such Interest Period in accordance with the provisions of the Amended Credit Agreement as if such Existing CDOR Loan was a Term CORRA Loan, it being understood and agreed that, from and after such Benchmark Replacement Date, (i) no Borrower shall be permitted to request any Lender to fund, and no Lender shall fund, any Loan bearing interest at the CDO Rate and (ii) no Existing CDOR Loan may be continued as a Loan bearing interest at the CDO Rate.

Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Global Tranche Lender, specifying in such notice such Lender's Global Tranche Percentage of such Swingline Loan or Loans. Each Global Tranche Lender hereby unconditionally and irrevocably agrees, upon receipt of such notice from the Administrative Agent as provided above (and in any event, if such notice is received (i) by 11:00 a.m., New York City time, on a Business Day, then no later than 4:00 p.m., New York City time, on such Business Day, and (ii) after 11:00 a.m., New York City time, on a Business Day, then no later than 9:00 a.m., New York City time, on the immediately succeeding Business Day), to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Global Tranche Percentage of such Swingline Loan or Loans. Each Global Tranche Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Global Tranche Lender further acknowledges and agrees that, in making any Swingline Loan, the Swingline Lender shall be entitled to rely, and shall not incur any liability for relying, upon the representation and warranty of the Borrowers deemed made pursuant to Section 4.02. Each Global Tranche Lender shall comply with its obligations under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Global Tranche Lenders under this paragraph), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Global Tranche Lenders. The Administrative Agent shall notify the Company of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from or on behalf of the applicable Borrower in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Global Tranche Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their

interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to a Loan Party for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve any Borrower of any default in the payment thereof.

SECTION 2.05. Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, any Borrower may request the issuance, amendment or extension of Letters of Credit by any Issuing Bank for its own account or the account of any Subsidiary (provided that the Company shall be a co-applicant and co-obligor with respect to each Letter of Credit issued for the account of any Subsidiary that is not a Borrower and, in the case of any such Subsidiary that is a Foreign Subsidiary, the jurisdiction of organization thereof shall be reasonably acceptable to the applicable Issuing Bank), in a form reasonably acceptable to the applicable Issuing Bank, at any time and from time to time not fewer than five Business Days before the end of the Availability Period. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by any Borrower or any Subsidiary to, or entered into by any Borrower or any Subsidiary with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Existing Letters of Credit will, for all purposes of this Agreement (including paragraphs (d) and (e) of this Section), be deemed to have been issued hereunder and will, for all purposes of this Agreement, constitute Letters of Credit. Notwithstanding anything herein to the contrary, (i) no Issuing Bank shall be required to issue, amend or extend any Letter of Credit the proceeds of which would be made available to any Person (A) to fund any activity or business of or with any Sanctioned Person, or in any Sanctioned Country except to the extent permissible for a Person required to comply with Sanctions or (B) in any manner that would result in a violation of any Sanctions by any party to this Agreement and (ii) no Issuing Bank shall be required to issue, amend or extend any Letter of Credit if (A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing, amending or extending such Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Restatement Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Restatement Effective Date and which such Issuing Bank in good faith deems material to it or (B) the issuance, amendment or extension of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally.

(b) Notice of Issuance, Amendment, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment or extension of an outstanding Letter of Credit (other than an automatic extension permitted pursuant to paragraph (c) of this Section)), the applicable Borrower shall deliver to the applicable Issuing Bank and the Administrative Agent (by no later than 1:00 p.m., New York City time, at least four Business Days prior to the requested date of issuance, amendment or extension, or such other period as

may be agreed upon by the applicable Borrower, the Administrative Agent and the applicable Issuing Bank) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the currency in which such Letter of Credit is to be denominated (which shall be US Dollars, Euro, Canadian Dollars or another currency approved by the applicable Issuing Bank that satisfies the requirements of clauses (a) and (b) of the definition of the term “Alternative Currency”), the name and address of the beneficiary thereof and such other information as shall be necessary to enable the applicable Issuing Bank to prepare, amend or extend such Letter of Credit. If requested by such Issuing Bank, the applicable Borrower also shall submit a letter of credit application on such Issuing Bank’s standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit the applicable Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension (i) the LC Exposure shall not exceed US\$75,000,000, and the portion of the LC Exposure attributable to Letters of Credit issued by any Issuing Bank shall not, unless otherwise agreed in writing by such Issuing Bank, exceed the LC Commitment of such Issuing Bank, (ii) the Aggregate Global Tranche Credit Revolving Exposures shall not exceed the aggregate Global Tranche Commitments, (iii) the Global Tranche Revolving Credit Exposure of any Global Tranche Lender shall not exceed its Global Tranche Commitment and (iv) the portion of the Aggregate Revolving Credit Exposure attributable to Loans made to and Letters of Credit issued for the accounts of Borrowing Subsidiaries that are Foreign Subsidiaries shall not exceed US\$400,000,000.

(c) Expiration Date. Each Letter of Credit will expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any extension thereof, one year after such extension) and (ii) the date that is five Business Days prior to the Maturity Date; provided that any Letter of Credit may contain customary automatic extension provisions agreed upon by the applicable Borrower and the applicable Issuing Bank pursuant to which the expiration date of such Letter of Credit shall automatically be extended for a period of up to 12 months (but not to a date later than the date set forth in clause (ii) above), subject to a right on the part of such Issuing Bank to prevent any such extension from occurring by giving notice to the beneficiary thereof at least 30 days (or such longer period specified in the applicable Letter of Credit) in advance of any such extension.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Global Tranche Lenders, such Issuing Bank hereby grants to each Global Tranche Lender, and each Global Tranche Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender’s Global Tranche Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Global Tranche Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender’s Global Tranche Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment in respect of an LC

Disbursement required to be refunded to a Borrower for any reason, including after the Maturity Date. Any such payment by the Global Tranche Lenders shall be made (i) if the currency of the applicable LC Disbursement or reimbursement payment shall be US Dollars or, subject to paragraph (o) of this Section, Euro, Canadian Dollars or another Alternative Currency, then in the currency of such LC Disbursement or reimbursement payment and (ii) if the currency of the applicable LC Disbursement or reimbursement payment shall be a currency other than US Dollars, Euro, Canadian Dollars or another Alternative Currency, then in US Dollars in an amount equal to the US Dollar Equivalent of such LC Disbursement or reimbursement payment, calculated by the Administrative Agent using the LC Exchange Rate on the applicable LC Participation Calculation Date. Each Global Tranche Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit and to make payments in respect of such acquired participations are absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment or extension of any Letter of Credit, the occurrence and continuance of a Default, any reduction or termination of the Global Tranche Commitments, any fluctuation in currency values or any *force majeure* or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the expiration thereof or of the Global Tranche Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Global Tranche Lender further acknowledges and agrees that, in issuing, amending or extending any Letter of Credit, the applicable Issuing Bank shall be entitled to rely, and shall not incur any liability for relying, upon the representation and warranty of the Borrowers deemed made pursuant to Section 4.02.

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the applicable Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount in the currency of such LC Disbursement equal to such LC Disbursement not later than 12:00 noon, New York City time, on the date that such LC Disbursement is made, if such Borrower shall have received notice of such LC Disbursement prior to 10:00 a.m., New York City time, on such date, or, if such notice has not been received by such Borrower prior to such time on such date, then not later than 12:00 noon, New York City time, on (i) the Business Day that such Borrower receives such notice, if such notice is received prior to 10:00 a.m., New York City time, on the day of receipt, or (ii) the Business Day immediately following the day that such Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; provided that if such LC Disbursement is denominated in US Dollars and is not less than US\$1,000,000, the applicable Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.04 that such payment be financed with an ABR Borrowing or a Swingline Loan in an equivalent amount and, to the extent so financed, such Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing or Swingline Loan. If the applicable Borrower fails to make any such reimbursement payment when due, (A) if such payment relates to a Letter of Credit denominated in a currency other than US Dollars, Euro, Canadian Dollars or another Alternative Currency, automatically and with no further action required, the obligation of such Borrower to reimburse the applicable LC Disbursement shall be permanently converted into an obligation to reimburse the US Dollar Equivalent, calculated by the Administrative Agent using the LC Exchange Rate on the applicable LC Participation

Calculation Date, of such LC Disbursement and (B) in the case of each LC Disbursement, the applicable Issuing Bank shall notify the Administrative Agent, whereupon the Administrative Agent shall notify each Global Tranche Lender of the applicable LC Disbursement, the amount and currency of the payment then due from such Borrower in respect thereof and such Lender's Global Tranche Percentage thereof. Promptly following receipt of such notice (and, in any event, no later than the immediately following Business Day), each Global Tranche Lender shall pay to the Administrative Agent, in the applicable currency, its Global Tranche Percentage of the applicable LC Disbursement payment then due from such Borrower, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from a Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Global Tranche Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. Each Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section is absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, this Agreement or any other Loan Document, or any term or provision herein or therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any *force majeure* or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the stated expiration date thereof or of the Global Tranche Commitments or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, such Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms, any error in translation or any consequence arising from causes beyond the control of any Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to a Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of

which are hereby waived by each Borrower to the fullest extent permitted by applicable law) suffered by such Borrower that are caused by (i) such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof or (ii) such Issuing Bank's breach of its obligation to issue a Letter of Credit pursuant to this Section. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The applicable Issuing Bank shall, within the time allowed by applicable law or the specific terms of the applicable Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The applicable Issuing Bank shall promptly after such examination notify the Administrative Agent and the applicable Borrower by telephone (confirmed by email) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the applicable Borrower of its obligation to reimburse such Issuing Bank and the Global Tranche Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the applicable Borrower reimburses such LC Disbursement, (i) in the case of any LC Disbursement denominated in US Dollars, and at all times following the conversion to US Dollars of an LC Disbursement made in another currency pursuant to paragraph (e) or (o) of this Section, at the rate per annum then applicable to ABR Revolving Loans and (ii) if such LC Disbursement is made in a currency other than US Dollars, at all times prior to any conversion to US Dollars pursuant to paragraph (e) or (o) of this Section, at a rate equal to the applicable Foreign Currency Overnight Rate plus the Applicable Rate applicable to Term SOFR Revolving Loans at such time; provided that, if the applicable Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.12(f) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank (except that interest accrued on and after the date of payment by any Global Tranche Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be paid to the Administrative Agent for the account of such Lender pro rata to the extent of such payment), and shall be payable on demand or, if no demand has been made, on the date on which the applicable Borrower reimburses the applicable LC Disbursement in full.

(i) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Company receives notice from the Administrative Agent or the

Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with LC Exposures representing more than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, each Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders and the Issuing Banks, an amount in cash equal to the portion of the LC Exposure attributable to Letters of Credit issued for the account of such Borrower as of such date plus any accrued and unpaid interest thereon; provided that (i) amounts payable in respect of any Letter of Credit or LC Disbursement shall be payable in the currency of such Letter of Credit or LC Disbursement, except that if the applicable Borrower's reimbursement obligations in respect of such Letter of Credit or LC Disbursement have been converted to obligations in US Dollars as provided in paragraph (e) or (o) of this Section, then amounts payable in respect of such Letter of Credit or LC Disbursement and interest accrued thereon shall be payable in US Dollars and (ii) the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to any Borrower described in clause (h) or (i) of Article VII. The Borrowers shall also deposit cash collateral in accordance with this paragraph as and to the extent required by Section 2.21. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Obligations, and the applicable Borrower hereby creates in favor of the Administrative Agent a security interest in each such deposit to secure such Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the applicable Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed, together with related fees, costs and customary processing charges, and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the applicable Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing more than 50% of the total LC Exposure and, in the case of any such application at a time when any Global Tranche Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders), the consent of each Issuing Bank), be applied to satisfy other obligations of the Borrowers under this Agreement. If a Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within three Business Days after all Events of Default have been cured or waived.

(j) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement among the Company, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank, which shall become an Issuing Bank hereunder in accordance with paragraph (k) of this Section. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.11(c). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing

Bank under this Agreement and the other Loan Documents and (ii) references herein and in the other Loan Documents to the term “Issuing Bank” shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement (including the right to receive fees under Section 2.11(c)), but shall not be required to issue additional Letters of Credit or to amend or extend any existing Letter of Credit.

(k) Designation of Additional Issuing Banks. From time to time, the Company may by notice to the Administrative Agent and the Lenders designate as additional Issuing Banks one or more Lenders that agree to serve in such capacity as provided below. The acceptance by a Lender of any appointment as an Issuing Bank hereunder shall be evidenced by an Issuing Bank Agreement, which shall set forth the LC Commitment of such Lender and be executed by such Lender, the Company and the Administrative Agent and, from and after the effective date of such agreement, (i) such Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and the other Loan Documents and (ii) references herein and in the other Loan Documents to the term “Issuing Bank” shall be deemed to include such Lender in its capacity as an Issuing Bank. The Issuing Bank Agreement of any Issuing Bank may limit the currencies in which and the Borrowers for the accounts of which such Issuing Bank will issue Letters of Credit, and any such limitations will, as to such Issuing Bank, be deemed to be incorporated in this Agreement.

(l) Issuing Bank Reports. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall report in writing to the Administrative Agent such information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, (i) the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases (other than any such increase consisting of the reinstatement of an amount previously drawn thereunder and reimbursed), whether or not such maximum stated amount is in effect at the time of determination, and (ii) if on any date of determination a Letter of Credit has expired by its terms but any amount may still be drawn thereunder by reason of the operation of Article 29(a) of the Uniform Customs and Practice for Documentary Credits, International Chamber of Commerce Publication No. 600 (or such later version thereof as may be in effect at the applicable time) or Rule 3.13 or Rule 3.14 of the ISP or similar terms of the Letter of Credit itself, or if compliant documents have been presented but not yet honored, such Letter of Credit shall be deemed to be “outstanding” and “undrawn” in the amount so remaining available to be paid, and the obligations of the applicable Borrower and each Global Tranche Lender hereunder shall remain in full force and effect until the Issuing Banks and the Global Tranche Lenders shall have no further obligations to make any payments or disbursements under any circumstances with respect to any Letter of Credit.

(n) Letters of Credit Issued for Account of Others. Notwithstanding that a Letter of Credit (including any Existing Letter of Credit) issued or outstanding hereunder supports any obligations of, or is for the account of, any Subsidiary of the Company (except where such Subsidiary itself is a Borrower), or states that any such Subsidiary is the “account party”, “applicant”, “customer”, “instructing party” or the like of or for such Letter of Credit, and without derogating from any rights of the applicable Issuing Bank (whether arising by contract, at law, in equity or otherwise) against such Subsidiary in respect of such Letter of Credit, the Company (i) shall reimburse, indemnify and compensate the applicable Issuing Bank hereunder for such Letter of Credit (including to reimburse any and all LC Disbursements thereunder, the payment of interest thereon and the payment of fees due under Section 2.11(b)) as if such Letter of Credit had been issued solely for the account of the Company and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. The Company hereby acknowledges that the issuance of Letters of Credit for its Subsidiaries inures to the benefit of the Company, and that the Company’s business derives substantial benefits from the businesses of its Subsidiaries.

(o) Conversion. In the event that the Loans become immediately due and payable on any date pursuant to Article VII, all amounts (i) that any Borrower is at the time or becomes thereafter required to reimburse or otherwise pay to the Administrative Agent in respect of LC Disbursements made under any Letter of Credit denominated in any currency other than US Dollars (other than amounts in respect of which the Borrowers have deposited cash collateral, if such cash collateral was deposited in the applicable currency), (ii) that the Global Tranche Lenders are at the time or become thereafter required to pay to the Administrative Agent (and the Administrative Agent is at the time or becomes thereafter required to distribute to the applicable Issuing Bank) pursuant to paragraph (e) of this Section in respect of unreimbursed LC Disbursements made under any Letter of Credit denominated in any currency other than US Dollars and (iii) of each Global Tranche Lender’s participation in any Letter of Credit denominated in any currency other than US Dollars under which an LC Disbursement has been made shall, automatically and with no further action required, be converted into the US Dollar Equivalent, calculated using the LC Exchange Rate on such date (or in the case of any LC Disbursement made after such date, on the date such LC Disbursement is made), of such amounts. On and after such conversion, all amounts accruing and owed to the Administrative Agent, any Issuing Bank or any Global Tranche Lender in respect of the obligations described in this paragraph shall accrue and be payable in US Dollars at the rates otherwise applicable hereunder.

SECTION 2.06. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by such Lender hereunder on the proposed date thereof by wire transfer of immediately available funds in the applicable currency by no later than 1:00 p.m., New York City time, to the account of the Administrative Agent (or one of its Affiliates) most recently designated by the Administrative Agent for such purpose by notice to the applicable Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loan proceeds available to the applicable Borrower by promptly remitting the amounts so received, in like funds, to the account specified in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC

Disbursement as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount in the required currency. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and such Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the Overnight Rate, or (ii) in the case of a payment to be made by such Borrower, the interest rate applicable to the subject Loan. If the applicable Lender and the applicable Borrower shall both pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If the applicable Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Any such payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.07. Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Term Benchmark Borrowing, shall have an initial Interest Period as specified in the applicable Borrowing Request or as otherwise provided in Section 2.03. Thereafter, the applicable Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Term Benchmark Borrowing, may elect Interest Periods therefor, all as provided in this Section and on terms consistent with the other provisions of this Agreement. The applicable Borrower may elect different options with respect to different portions of the applicable affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section, the applicable Borrower shall deliver to the Administrative Agent a completed Interest Election Request by the time and date that a Borrowing Request would be required under Section 2.03 if such Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each Interest Election Request shall be irrevocable and shall be signed by a Financial Officer of the applicable Borrower. Notwithstanding any other provision of this Section, a Borrower shall not be permitted to (i) change the currency of any Borrowing, (ii) to elect an Interest Period for Term Benchmark Loans that does not comply with Section 2.02(d) or

(iii) to convert any Borrowing into a Type not available for Borrowings in the applicable currency.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the applicable Borrower and the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) the Type of the resulting Borrowing; and

(iv) if the resulting Borrowing is to be a Term Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If by any Interest Election Request a Borrower requests a Term Benchmark Borrowing but does not specify an Interest Period, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each affected Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the applicable Borrower fails to deliver a timely Interest Election Request with respect to a Term Benchmark Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period, (i) in the case of a Term SOFR Borrowing made to the Company or a US Borrowing Subsidiary and denominated in US Dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of any other Borrowing and subject to Section 2.13, such Borrowing shall continue as a Borrowing of the applicable Type with an Interest Period of one month's duration.

(f) Notwithstanding any contrary provision hereof, if an Event of Default under clause (h) or (i) of Article VII has occurred and is continuing with respect to any Borrower, or if any other Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (i) no outstanding Borrowing denominated in US Dollars to the Company or a US Borrowing Subsidiary may be converted to or continued as a Term SOFR Borrowing, (ii) unless repaid, each Term SOFR Borrowing denominated in US Dollars to the Company or a US Borrowing Subsidiary shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid and subject to Section 2.13, each other Term Benchmark Borrowing shall be continued at the end of the Interest Period applicable thereto as a

Borrowing of the applicable Type with an Interest Period of one month's duration. The foregoing is without prejudice to the other rights and remedies available hereunder upon an Event of Default.

SECTION 2.08. Termination, Reduction and Increase of Commitments.

(a) Unless previously terminated, the Commitments shall terminate on the Maturity Date.

(b) The Company may at any time, without premium or penalty, terminate, or from time to time reduce, the Commitments under any Tranche; provided that (i) each such reduction of the Commitments under any Tranche shall be in an amount that is not less than the Borrowing Minimum and an integral multiple of the Borrowing Multiple, in each case for Borrowings denominated in US Dollars and (ii) the Company shall not terminate or reduce the Commitments under any Tranche if after giving effect to such termination or reduction and to any concurrent payment or prepayment of Loans or LC Disbursements in accordance with Section 2.10, (A) the Aggregate Revolving Credit Exposure under either the US Tranche or the Global Tranche would exceed the aggregate amount of the Commitments under such Tranche, (B) the Revolving Credit Exposure under either the US Tranche or the Global Tranche of any Lender would exceed its Commitment under such Tranche or (C) the Aggregate Revolving Credit Exposure would exceed the aggregate Commitments.

(c) The Company shall notify the Administrative Agent of any election to terminate or reduce the Commitments under any Tranche under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments under any Tranche may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked or extended by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments under any Tranche shall be permanent. Each reduction of the Commitments under any Tranche shall be made ratably among the applicable Lenders in accordance with their Commitments under such Tranche.

(d) (i) The Company may at any time and from time to time, by written notice to the Administrative Agent (which shall deliver a copy thereof to the applicable Lenders) executed by the Company and one or more Persons that are Eligible Assignees (any such Person being called an "Increasing Lender"), which may include any Lender, cause Global Tranche Commitments or US Tranche Commitments to be extended by the Increasing Lenders (or cause the Global Tranche Commitments or US Tranche Commitments of the Increasing Lenders to be increased, as the case may be) in an amount for each Increasing Lender (which shall not be less than US\$5,000,000) set forth in such notice; provided, that (A) the new Commitments and increases in existing Commitments pursuant to this paragraph, in each case, after the Restatement Effective Date, shall not be greater than US\$400,000,000 in the aggregate and shall not be less than US\$10,000,000 (or any portion of such US\$400,000,000 aggregate amount remaining unused) for any such increase, (B) each Increasing Lender, if not already a Lender hereunder, shall be subject to the approval of the Administrative Agent, each Issuing Bank and

the Swingline Lender (which approval shall not be unreasonably withheld) and (ii) each Increasing Lender, if not already a Lender hereunder, shall become a party to this Agreement by completing and delivering to the Administrative Agent a duly executed accession agreement in a form satisfactory to the Administrative Agent and the Company (an “Accession Agreement”). New Commitments and increases in Commitments shall become effective on the date specified in the applicable notices delivered pursuant to this paragraph. Upon the effectiveness of any Accession Agreement to which any Increasing Lender is a party, such Increasing Lender shall thereafter be deemed to be a party to this Agreement and shall be entitled to all rights, benefits and privileges accorded a Lender hereunder and subject to all obligations of a Lender hereunder.

(ii) On the effective date (the “Increase Effective Date”) of any increase in the Commitments under any Tranche pursuant to paragraph (d)(i) above (a “Commitment Increase”), (A) the aggregate principal amount of the Borrowings of such Tranche outstanding (the “Initial Borrowings”) immediately prior to the Commitment Increase on the Increase Effective Date shall be deemed to be paid; (B) each Increasing Lender that shall have had a Commitment under such Tranche prior to the Commitment Increase shall pay to the Administrative Agent in same day funds (in the applicable currencies), an amount equal to the difference between (x) the product of (1) such Lender’s applicable Tranche Percentage (calculated after giving effect to the Commitment Increase) multiplied by (2) the amount of each Subsequent Borrowing (as hereinafter defined) and (y) the product of (1) such Lender’s applicable Tranche Percentage (calculated without giving effect to the Commitment Increase) multiplied by (2) the amount of each Initial Borrowing; (C) each Increasing Lender that shall not have had a Commitment under such Tranche prior to the Commitment Increase shall pay to the Administrative Agent in same day funds (in the applicable currencies) an amount equal to the product of (1) such Increasing Lender’s applicable Tranche Percentage (calculated after giving effect to the Commitment Increase) multiplied by (2) the amount of each Subsequent Borrowing; (D) after the Administrative Agent receives the funds specified in clauses (B) and (C) above, the Administrative Agent shall pay to each Lender (in the applicable currencies) the portion of such funds that is equal to the difference between (x) the product of (1) such Lender’s applicable Tranche Percentage (calculated without giving effect to the Commitment Increase) multiplied by (2) the amount of each Initial Borrowing, and (y) the product of (1) such Lender’s applicable Tranche Percentage (calculated after giving effect to the Commitment Increase) multiplied by (2) the amount of each Subsequent Borrowing; (E) after the effectiveness of the Commitment Increase, the applicable Borrower shall be deemed to have made new Borrowings (the “Subsequent Borrowings”) in amounts (in the currencies of the Initial Borrowings) equal to the amounts of the Initial Borrowings and of the Types and for the Interest Periods specified in a Borrowing Request delivered to the Administrative Agent in accordance with Section 2.03; (F) each Lender shall be deemed to hold its applicable Tranche Percentage of each Subsequent Borrowing (each calculated after giving effect to the Commitment Increase); and (G) the Borrowers shall pay each Lender any and all accrued but unpaid interest on its Loans comprising the Initial Borrowings. The deemed payments made pursuant to clause (i) above shall be subject to compensation by the applicable Borrower pursuant to the provisions of Section 2.16 if the Increase Effective Date occurs other than on the last day of the Interest Period relating thereto.

(iii) Notwithstanding the foregoing, no increase in the Commitments (or in the Commitment of any Lender) or additions of a new Lender shall become effective under this paragraph (d) unless (A) on the effective date of such increase, the conditions set forth in Section 4.02(a) and 4.02(b) shall be satisfied (with all references in such paragraphs to a Borrowing being deemed to be references to such increase or addition) and (B) the Administrative Agent shall have received a certificate to that effect dated such date and executed by the President, Vice President or a Financial Officer of the Company (with sufficient copies for each of the Lenders) together with documents consistent with those delivered on the Restatement Effective Date under Sections 4.01(b), 4.01(c) and 4.01(f), giving effect to such increase or addition.

SECTION 2.09. Repayment of Loans; Evidence of Debt.

(a) Each Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the accounts of the applicable Lenders the then unpaid principal amount of each Revolving Loan made to such Borrower on the Maturity Date and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan made to such Borrower on the earlier of the Maturity Date and the first date after such Swingline Loan is made that is the 15th day or the last day of a calendar month and that is at least two Business Days after the day on which such Swingline Loan is made; provided that on each date on which a Revolving Borrowing denominated in US Dollars is made to a Borrower that shall have borrowed Swingline Loans, such Borrower shall repay all Swingline Loans then outstanding to it.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of each Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type of each such Loan and, in the case of any Term Benchmark Loan, the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders or any of them and each Lender's share thereof. The information contained in such accounts will be made available to the Company at reasonable times and upon reasonable request.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of any Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans of any Class made by it to any Borrower be evidenced by a promissory note. In such event, the applicable Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Company and the Administrative Agent. Thereafter, the Loans evidenced by such

promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more promissory notes in such form payable to the payee named therein (or to such payee and its registered assigns).

SECTION 2.10. Prepayment of Loans. (a) Each Borrower shall have the right at any time and from time to time to prepay any Borrowing of such Borrower in whole or in part, subject to Section 2.16 (but otherwise without premium or penalty) and the requirements of this Section.

(b) If the Aggregate Revolving Credit Exposure under any Tranche shall exceed the aggregate Commitments under such Tranche, then (i) on the last day of any Interest Period for any Term Benchmark Borrowing under such Tranche and (ii) on each other date on which any ABR Borrowing, any Daily Simple SOFR Borrowing or any Swingline Loan shall be outstanding under such Tranche, the applicable Borrowers shall prepay Loans under such Tranche in an aggregate amount equal to the lesser of (A) the amount necessary to eliminate such excess and (B) the amount of such Borrowing. If the Aggregate Revolving Credit Exposure under any Tranche on the last day of any month shall exceed 105% of the aggregate Commitments under such Tranche, then the applicable Borrowers shall, within three Business Days of such last day, prepay one or more Borrowings under such Tranche in an aggregate principal amount sufficient to eliminate such excess.

(c) On the date of any Prepayment Event, the Company shall pay or prepay (or shall cause a Borrowing Subsidiary to pay or prepay) Borrowings in an amount equal to the lesser of (i) 75% of the Net Proceeds of such Prepayment Event and (ii) the excess of (A) the Aggregate Revolving Credit Exposure immediately following such Prepayment Event over (B) the aggregate Commitments after giving effect to the reduction of the Commitments required pursuant to Section 6.03(m) or 6.06(c) in respect of such Prepayment Event.

(d) On the date of any termination or reduction of the Commitments under either Tranche pursuant to Section 2.08, the Company shall pay or prepay (or shall cause a Borrowing Subsidiary to pay or prepay) the Borrowings under such Tranche as shall be necessary in order that the Aggregate Revolving Credit Exposure under such Tranche shall not exceed the aggregate Commitments under such Tranche after giving effect to such termination or reduction.

(e) Prior to any optional or mandatory prepayment of Borrowings hereunder, the applicable Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section.

(f) The applicable Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) of any prepayment of a Borrowing hereunder not later than (i) in the case of a Term SOFR Borrowing, 11:00 a.m., New York City time, three US Government Securities Business Days prior to the date of such prepayment, (ii) in the case of a EURIBOR Borrowing or a ~~EDOR~~ Term CORRA Borrowing, 11:00 a.m., New York City time, three Business Days prior to the date of such prepayment, (iii) in the case of a Daily Simple SOFR Borrowing, 11:00 a.m., New York City time, five Business Days prior to the date of such prepayment and (iv) in the case of an ABR Borrowing (including a Swingline Loan), 12:00 noon, New York City time, on the date of prepayment. Each

such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that a notice of a prepayment pursuant to paragraph (b) or (c) of this Section of any Borrowing may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the applicable Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type and in the same currency as provided in Section 2.02. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.12.

SECTION 2.11. Fees. (a) The Borrowers agree to pay to the Administrative Agent, in US Dollars, for the account of each Lender, a commitment fee (a "Commitment Fee"), which shall accrue at the Applicable Rate on the daily unused amount of each Commitment of such Lender, in each case during the period from and including the Restatement Effective Date to but excluding the date on which such Commitment terminates. Commitment Fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the 15th Business Day following such last day, commencing with the first such date to occur after the Restatement Effective Date, and, with respect to the Commitment Fees accrued on Commitments under any Tranche, on the date on which the Commitments under such Tranche shall terminate. All Commitment Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing Commitment Fees, a Global Tranche Commitment of a Lender shall be deemed to be used to the extent of the outstanding Global Tranche Revolving Loans and LC Exposure of such Lender (and the Swingline Exposure of such Lender shall be disregarded for such purpose).

(b) The Company agrees to pay (or cause the applicable Borrowing Subsidiary to pay) (i) to the Administrative Agent, for the account of each Global Tranche Lender, a participation fee (an "LC Participation Fee") with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate used in determining the interest rate applicable to Term SOFR Revolving Loans on the daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Restatement Effective Date to but excluding the later of the date on which such Lender's Global Tranche Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to each Issuing Bank, a fronting fee (an "LC Fronting Fee"), which shall accrue at the rate of 0.125% per annum on the daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Restatement Effective Date to but excluding the later of the date of termination of the Global Tranche Commitments and the date on which there ceases to be any such LC Exposure attributable to such Letters of Credit, as well as such Issuing Bank's standard fees ("Issuing Bank Fees") with respect to the issuance, amendment or extension of any Letter of Credit or processing of drawings thereunder. LC Participation Fees and LC Fronting Fees accrued through and including the last day of March, June, September and December of each year shall be

payable on the 15th Business Day following such last day, commencing on the first such date to occur after the Restatement Effective Date; provided that all such fees not so paid shall be payable on the date on which the Global Tranche Commitments terminate and any such fees accruing after the date on which the Global Tranche Commitments terminate shall be payable on demand. Any other fees payable to any Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All LC Participation Fees and LC Fronting Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon in writing between the Company and the Administrative Agent.

(d) The Borrowers agree to pay, through the Administrative Agent, upfront fees in the amounts heretofore communicated to the Lenders by the Company and the Administrative Agent.

(e) All fees payable hereunder shall be paid on the dates on which due, in immediately available funds, to the Administrative Agent or to any Issuing Bank (in the case of fees payable to it) for distribution, in the case of Commitment Fees, LC Participation Fees and upfront fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances. The parties hereto agree that each fee payable under paragraph (a), (c) or (d) of this Section shall be payable (i) 93% by the Company, (ii) 5% by AIH, (iii) 1% by AIE, and (iv) 1% by AIC, it being agreed that such allocation shall not reduce the rights of the Administrative Agent or the Lenders under Article IX in respect of amounts payable by such Borrowing Subsidiaries.

SECTION 2.12. Interest. (a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Term SOFR Borrowing shall bear interest at the Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Loans comprising each EURIBOR Borrowing shall bear interest at the EURIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(d) The Loans comprising each ~~CDOR~~Term CORRA Borrowing shall bear interest at the ~~CDOR~~Rate Adjusted Term CORRA for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(e) The Loans comprising each Daily Simple SOFR Borrowing, if applicable pursuant to Section 2.13, shall bear interest at the Adjusted Daily Simple SOFR plus the Applicable Rate.

(f) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by any Borrower hereunder is not paid when due, whether at

stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, to the fullest extent permitted by applicable law, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% per annum plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(g) Accrued interest on each Loan under any Tranche shall be payable in arrears on each Interest Payment Date for such Loan and upon the termination of the Commitments under such Tranche; provided that (i) interest accrued pursuant to paragraph (f) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term Benchmark Revolving Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion. All interest shall be payable in the currency in which the applicable Loan is denominated.

(h) All interest hereunder shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and (ii) interest on ~~CDOR~~Term CORRA Borrowings shall be computed on the basis of a year of 365 days (or 366 days in a leap year). Interest on all Borrowings and other amounts accruing interest shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted Term SOFR, EURIBO Rate, ~~CDOR~~Ratethe Adjusted Term CORRA or, if applicable pursuant to Section 2.13, Adjusted Daily Simple SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. For purposes of the Interest Act (Canada), whenever any interest is computed using a rate based on a year of 360 days, such rate determined pursuant to such computation, when expressed as an annual rate, is equivalent to (A) the applicable rate based on a year of 360 days multiplied by (B) the actual number of days in the calendar year in which the period for which such interest is payable (or compounded) ends; and divided by (C) 360.

(i) The rates of interest provided for in this Agreement, insofar as they relate to Global Tranche Revolving Loans made to or LC Disbursements under Letters of Credit issued for the account of the Swiss Borrowing Subsidiaries, are minimum interest rates. When entering into this Agreement, the parties have assumed that the interest payable by the Swiss Borrowing Subsidiaries at the rates set out in this Section or in other Sections of this Agreement is not and will not become subject to the Swiss Withholding Tax. Notwithstanding that the parties hereto do not anticipate that any payment of interest will be subject to the Swiss Withholding Tax, such parties agree that, in the event that (i) the Swiss Withholding Tax shall be imposed on interest payments by any Swiss Borrowing Subsidiary and (ii) such Swiss Borrowing Subsidiary is unable, by reason of the Swiss Withholding Tax Act, to comply with Section 2.17, the interest rate on Loans to and LC Disbursements for the account of such Swiss Borrowing Subsidiary shall, subject to paragraph (j) of this Section, be increased in such a way that the amount of interest effectively paid to each Lender or Issuing Bank is in an amount which (after making any

deduction of the Non-Refundable Portion of the Swiss Withholding Tax) equals the amount of such interest that would have been due had no deduction of the Swiss Withholding Tax been required. For the purposes of this Section, “Non-Refundable Portion” shall mean Swiss Withholding Tax at the standard rate (being, as at the date hereof, 35%) unless a tax ruling issued by the Swiss Federal Tax Administration confirms that, in relation to a specific Lender based on an applicable double tax treaty, the Non-Refundable Portion is a specified lower rate (or no withholding tax is imposed), in which case such lower rate (or zero rate) shall be applied in relation to such Lender. To the extent that interest payable by a Swiss Borrowing Subsidiary under this Agreement or any other Loan Document becomes subject to Swiss Withholding Tax, each specific Lender and the specific Swiss Borrowing Subsidiary shall promptly co-operate in a commercially reasonable manner in completing any procedural formalities (including submitting forms and documents required by the appropriate Tax authority) to the extent possible and necessary for the specific Swiss Borrowing Subsidiary to obtain the tax ruling from Swiss Federal Tax Administration.

(j) No Swiss Borrowing Subsidiary shall be required to pay any additional amount to a Lender pursuant to paragraph (i) above to compensate such Lender for any Swiss Withholding Tax that, as to such Lender, is an Excluded Tax by reason of subclause (c)(ii) of the definition of such term.

SECTION 2.13. Alternate Rate of Interest. (a) Subject to Section 2.13(b), if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR, the EURIBO Rate or the ~~€DO-Rate~~Adjusted Term CORRA, as the case may be (including because the Relevant Screen Rate is not available or published on a current basis), for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the Adjusted Daily Simple SOFR; or

(ii) the Administrative Agent is advised by the Required Lenders (or a Majority in Interest of the Lenders that would make Loans as part of such Borrowing) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that the Adjusted Term SOFR, the EURIBO Rate or the ~~€DO-Rate~~Adjusted Term CORRA, as the case may be, for the applicable currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Term Benchmark Borrowing for such Interest Period or (B) at any time, that the Adjusted Daily Simple SOFR will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in any Daily Simple SOFR Borrowing;

then the Administrative Agent shall give notice thereof to the Company and the applicable Lenders by telephone or email as promptly as practicable thereafter and until (x) the Administrative Agent notifies the Company and the applicable Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark (it being agreed that the Administrative Agent will so notify the Company promptly after it becomes aware that

such circumstances no longer exist) and (y) the applicable Borrower (or the Company on its behalf) delivers a new Interest Election Request in accordance with Section 2.07 or a new Borrowing Request in accordance with Section 2.03, (A) in the case of Loans denominated in US Dollars, any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, an affected Term Benchmark Borrowing and any Borrowing Request that requests an affected Term Benchmark Borrowing shall instead be deemed to be an Interest Election Request or a Borrowing Request, as applicable, for (1) a Daily Simple SOFR Borrowing so long as the Adjusted Daily Simple SOFR is not also the subject of Section 2.13(a)(i) or 2.13(a)(ii) or (2) an ABR Borrowing if the Adjusted Daily Simple SOFR also is the subject of Section 2.13(a)(i) or 2.13(a)(ii) and (B) in the case of Loans denominated in an Alternative Currency, any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, an affected Term Benchmark Borrowing and any Borrowing Request that requests an affected Term Benchmark Borrowing for the relevant Benchmark shall be ineffective; provided that if the circumstances giving rise to such notice affect only one Type of Borrowing, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or Daily Simple SOFR Loan in any Agreed Currency is outstanding on the date of the Company's receipt of the notice from the Administrative Agent referred to in this Section 2.13(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan or Daily Simple SOFR Loan, then until (x) the Administrative Agent notifies the Company and the applicable Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the applicable Borrower delivers a new Interest Election Request in accordance with Section 2.07 or a new Borrowing Request in accordance with Section 2.03, (A) in the case of Loans denominated in US Dollars, (1) any affected Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan, convert to, and shall constitute, (x) a Daily Simple SOFR Borrowing so long as the Adjusted Daily Simple SOFR is not also the subject of Section 2.13(a)(i) or 2.13(a)(ii) or (y) an ABR Loan if the Adjusted Daily Simple SOFR also is the subject of Section 2.13(a)(i) or 2.13(a)(ii) on such day and (2) any affected Daily Simple SOFR Loan shall, on such date, convert to, and shall constitute, an ABR Loan and (B) in the case of Loans denominated in an Alternative Currency, any affected Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan, convert to, and shall constitute, a CBR Loan that bears interest at the Central Bank Rate, if denominated in Euro, or the Canadian Prime Rate, if denominated in Canadian Dollars, in each case, plus the CBR Spread; provided that if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate or the Canadian Prime Rate, as the case may be, cannot be determined, any such affected Term Benchmark Loans shall be prepaid in full by the applicable Borrower on the day that the Company receives notice thereof from the Administrative Agent. Interest on any CBR Loan shall be payable, and principal of any CBR Loan shall be payable or prepayable, in each case, as would be applicable to the Loan that was converted into such CBR Loan.

(b) (i) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (A) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of the term "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of such Benchmark setting and subsequent Benchmark settings

without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (B) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of the term “Benchmark Replacement” with respect to any Agreed Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of any Benchmark setting at or after 5:00 p.m., New York City time, on the fifth Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(ii) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) The Administrative Agent will promptly notify the Company and the Lenders of (A) any occurrence of a Benchmark Transition Event, (B) the implementation of any Benchmark Replacement, (C) the effectiveness of any Benchmark Replacement Conforming Changes, (D) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.13(b)(iv) and (E) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.13, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.13.

(iv) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including the Term SOFR, the EURIBO Rate or the ~~CD Rate~~ Term CORRA) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of the term “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (A) above either

(1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then

the Administrative Agent may modify the definition of the term “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Upon the Company’s receipt of notice of the commencement of a Benchmark Unavailability Period, the applicable Borrower may revoke any request for borrowing of, conversion to or continuation of a Term Benchmark Borrowing to be made, converted or continued during any Benchmark Unavailability Period and, failing that, (A) the applicable Borrower will be deemed to have converted any request for an affected Term Benchmark Borrowing denominated in US Dollars into a request for a borrowing of or conversion to (1) a Daily Simple SOFR Borrowing so long as the Adjusted Daily Simple SOFR is not the subject of a Benchmark Transition Event or (2) an ABR Borrowing if the Adjusted Daily Simple SOFR is also the subject of a Benchmark Transition Event or (B) any request for any affected Term Benchmark Borrowing denominated in an Alternative Currency shall be ineffective. Furthermore, if any Term Benchmark Loan in any Agreed Currency is outstanding on the date of the Company’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until such time as a Benchmark Replacement for such Agreed Currency is implemented pursuant to this Section 2.13(b), (A) in the case of Loans denominated in US Dollars, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan convert to, and shall constitute, (1) a Daily Simple SOFR Loan so long as the Adjusted Daily Simple SOFR is not the subject of a Benchmark Transition Event or (2) an ABR Loan if the Adjusted Daily Simple SOFR is the subject of a Benchmark Transition Event and (B) in the case of Loans denominated in an Alternative Currency, any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan, convert to, and shall constitute, a CBR Loan that bears interest at the Central Bank Rate, if denominated in Euro, or the Canadian Prime Rate, if denominated in Canadian Dollars, in each case, plus the CBR Spread; provided that if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate or the Canadian Prime Rate, as the case may be, cannot be determined, any such affected Loan shall be prepaid in full by the applicable Borrower on the day that the Company receives notice thereof from the Administrative Agent. Interest on any CBR Loan shall be payable, and principal of any CBR Loan shall be payable or prepayable, in each case, as would be applicable to the Loan that was converted into such CBR Loan. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Alternate Base Rate or Canadian Prime Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, shall be disregarded.

SECTION 2.14. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge, liquidity or similar requirement against assets of, deposits with or for the account of or credit extended by, any Lender or any Issuing Bank;

(ii) subject the Administrative Agent, any Lender or any Issuing Bank to any Taxes (other than Indemnified Taxes, which shall be governed by Section 2.17, and

Excluded Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender, any Issuing Bank or the applicable interbank market any other condition (other than Taxes) affecting this Agreement or any Loans made by such Lender or any Letter of Credit or participations therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan (or of maintaining its obligation to make any Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or the Administrative Agent hereunder (whether of principal, interest or otherwise), then the Company will (or cause a Borrowing Subsidiary to) pay to such Lender, such Issuing Bank or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Bank or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or any Commitment of, the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Company will (or cause a Borrowing Subsidiary to) pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) If the cost to any Lender of making or maintaining any Loan to, or participating in any Letter of Credit issued for the account of, or of any Issuing Bank of issuing or maintaining any Letter of Credit issued for the account of, a Borrowing Subsidiary is increased (or the amount of any sum received or receivable by any Lender (or its applicable lending office) or any Issuing Bank is reduced) by an amount deemed in good faith by such Lender or such Issuing Bank to be material, by reason of the fact that such Borrowing Subsidiary is incorporated in, has its principal place of business in, or borrows from, a jurisdiction outside the United States, such Lender or such Issuing Bank shall provide prompt notice thereof to the Company and such Borrowing Subsidiary shall indemnify such Lender or such Issuing Bank for such increased cost or reduction within 10 days after demand by such Lender or such Issuing Bank (with a copy to the Administrative Agent); provided that failure by such Lender or such Issuing Bank to provide prompt notice pursuant to this paragraph will not impair its rights to indemnification under this paragraph (except, and only to the extent, such Borrowing Subsidiary suffers an actual loss by the failure to provide such notice within 90 days from the incurrence of such increased cost). A certificate of such Lender or such Issuing Bank claiming compensation

under this paragraph and setting forth the additional amount or amounts to be paid to it hereunder (and the basis for the calculation of such amount or amounts) shall be conclusive in the absence of manifest error.

(d) A certificate of a Lender or Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay or cause the applicable Borrower to pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(e) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the applicable Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(f) Notwithstanding any other provision of this Section, no Lender shall demand compensation for any increased cost or reduction pursuant to this Section if it shall not at the time be the general policy or practice of such Lender to demand such compensation in similar circumstances under comparable provisions of other comparable financing agreements.

SECTION 2.15. Illegality. If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Term Benchmark Loans (whether denominated in US Dollars or an Alternative Currency), or to determine or charge interest rates based upon the Adjusted Term SOFR, the EURIBO Rate or the ~~CD Rate~~ Adjusted Term CORRA, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, any Alternative Currency in the applicable interbank market, then, on notice thereof by such Lender to the Company through the Administrative Agent, (a) any obligation of such Lender to make or continue Term Benchmark Loans in the affected currency or currencies or, in the case of Loans denominated in US Dollars, to convert ABR Loans to Term Benchmark Loans, shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Term SOFR component of the Alternate Base Rate, the interest rate on ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Company that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice by the Company, (x) the applicable Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable and such Loans are denominated in US Dollars, convert all such Term Benchmark Loans of such Lender to ABR Loans (the interest rate

on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Alternate Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term Benchmark Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Term Benchmark Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Term SOFR, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Term SOFR. Upon any such prepayment or conversion, the applicable Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether any such notice may be revoked under Section 2.10(f) and is revoked in accordance therewith) or (d) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 2.19(b), then, in any such event, the applicable Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of any Term Benchmark Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender in good faith to be the excess, if any, of

(i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Term SOFR, the EURIBO Rate or the ~~CDO Rate~~ Adjusted Term CORRA, as the case may be (without taking into account the Applicable Rate), that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan) over

(ii) the amount of interest that would accrue on such principal amount for such period at the Adjusted Term SOFR, the EURIBO Rate or the ~~CDO Rate~~ Adjusted Term CORRA, as the case may be (without taking into account the Applicable Rate), for an Interest Period commencing on the date of such event and ending at or as nearly as possible to the last day of the then current Interest Period for such Loan (or, in the case of a failure to borrow, convert or continue, the last day of the period that would have been the Interest Period for such Loan). A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the applicable Borrower and shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.17. Taxes. (a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by law; provided that if any Loan Party shall be required to deduct any Indemnified Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions for such

Indemnified Taxes (including deductions applicable to additional sums payable under this Section) the Administrative Agent and each Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Company shall pay, or shall cause the applicable Loan Party to pay, any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Company shall indemnify (or shall cause the applicable Loan Party to indemnify) the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes paid or withheld by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Company (or such Loan Party) hereunder or under any other Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided that the Company shall have no obligation to pay or cause to be paid any amounts in respect of Indemnified Taxes if it is not the general practice of the Lender or other recipient, at the time such Taxes are assessed or imposed to claim reimbursement for, or indemnity with respect to, such Taxes in respect of similar payments or transactions involving similarly situated borrowers. A certificate as to the amount of such payment or liability delivered to the Company by a Lender or by the Administrative Agent, on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Company or any other Loan Party to a Governmental Authority, the Company shall deliver, or shall cause such Loan Party to deliver, to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand thereof, for: (i) the full amount of any Excluded Taxes attributable to such Lender, (ii) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes without limiting the obligation of the Loan Parties to do so), and (iii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.04(c) relating to the maintenance of a Participant Register, in each case that are payable or paid by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by

the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph.

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax, with respect to any payments under this Agreement or any other Loan Document shall deliver to the Company (and the Administrative Agent), at the time or times reasonably requested by any Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law or reasonably requested by such Borrower or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by any Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by such Borrower or the Administrative Agent as will enable such Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth below in this paragraph (f)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Upon the reasonable request of any Borrower or the Administrative Agent, any Lender shall update any form or certification previously delivered pursuant to this Section. If any form or certification previously delivered pursuant to this Section expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify such Borrower and the Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Withholding Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA to determine the amount to deduct and withhold from such payment or to determine that such Lender has complied with applicable reporting and other requirements of FATCA. For purposes of this clause (f) "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(ii) Without limiting the generality of the foregoing, if any Borrower is a US Person, any Lender with respect to such Borrower shall, if it is legally eligible to do so, deliver to such Borrower and the Administrative Agent (in such number of copies reasonably requested by such Borrower and the Administrative Agent) on or prior to the date on which such Lender becomes a party hereto (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), duly completed and executed copies of whichever of the following is applicable:

(A) in the case of a Lender that is a US Person, IRS Form W-9;

(B) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (1) with respect to payments of interest under any Loan Document, IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (2) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(C) in the case of a Foreign Lender for whom payments under any Loan Document constitute income that is effectively connected with such Lender’s conduct of a trade or business in the United States, IRS Form W-8ECI;

(D) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code both (1) IRS Form W-8BEN or W-8BEN-E, as applicable, and (2) a certificate substantially in the form of Exhibit F-1 (a “US Tax Certificate”) to the effect that such Lender is not (a) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (b) a “10 percent shareholder” of the applicable Borrower within the meaning of Section 881(c)(3)(B) of the Code and (c) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code;

(E) in the case of a Foreign Lender that is not the beneficial owner of payments made under any Loan Document (including a partnership or a participating Lender) (1) an IRS Form W-8IMY on behalf of itself, (2) a US Tax Certificate substantially in the form of Exhibit F-2 or Exhibit F-3 and (3) the relevant forms prescribed in clauses (A), (B), (C), (D) and (F) of this paragraph (f)(ii) that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided, however, that if the Lender is a partnership and one or more of its partners are claiming the exemption for portfolio interest under Section 881(c) of the Code, such Lender may provide a US Tax Certificate substantially in the form of Exhibit F-4 on behalf of such partners; or

(F) any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. federal withholding Tax together with such supplementary documentation necessary to enable such Borrower or the Administrative Agent to determine the amount of Tax (if any) required by law to be withheld.

(g) If the Administrative Agent or a Lender reasonably determines that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, however, that such Loan Party agrees to pay,

upon the request of the Administrative Agent or such Lender, the amount paid to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Nothing contained in this paragraph shall require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(h) Each Lender that is a Global Tranche Lender as of the Restatement Effective Date confirms that, as of the Restatement Effective Date, such Lender is a Qualifying Bank. Each Lender that shall become a Global Tranche Lender after the Restatement Effective Date confirms that, as of the date such Person becomes a Global Tranche Lender, and each Person that shall at any time acquire a participation in any Loan of any Swiss Borrowing Subsidiary shall be deemed to have confirmed as of the date such Person acquires such participation (or, if earlier, the date on which such Person acquired the participation in a Global Tranche Commitment that resulted in its acquisition of such participation in such Loan of such Swiss Borrowing Subsidiary upon the making thereof), that it is a Qualifying Bank; provided that no such confirmation is made by any such Global Tranche Lender or participant that, in accordance with Sections 10.04(e) and 10.04(f), is permitted to become a Global Tranche Lender or a participant without being required to be a Qualifying Bank. Each Global Tranche Lender which is a Qualifying Bank, and which participates in a Loan made to or LC Disbursement for the account of any Swiss Borrowing Subsidiary, will promptly notify the specific Swiss Borrowing Subsidiary and the Administrative Agent in writing as soon as it becomes aware that it ceases, or will cease, to be a Qualifying Bank. If and to the extent the continued participation of such Global Tranche Lender in a Loan to or LC Disbursement for the account of any Swiss Borrowing Subsidiary after it ceases to be a Qualifying Bank would result in a breach of the Swiss Withholding Tax Rules, the Company may, unless an Event of Default has occurred and is continuing pursuant to clause (h) or (i) of Article VII, require that such Lender transfer its rights and obligations in respect of the Loan to another Person in compliance with Section 2.19(b) as soon as reasonably practicable.

(i) For purposes of applying clause (c)(i) of the definition of the term “Excluded Taxes”, the parties agree that the Swiss Withholding Tax shall be treated as not “applicable” as of the date hereof.

(j) Unless an Event of Default has occurred and is continuing, a payment shall not be increased with respect to a specific Global Tranche Lender under this Section 2.17 by reason of Swiss Withholding Tax if and to the extent Swiss Withholding Tax, as to such Lender, is an Excluded Tax by reason of subclause (c)(ii) of the definition of such term.

(k) For the purposes of this Section 2.17, the term “Lender” includes any Issuing Bank and the term “applicable law” includes FATCA.

(l) Each party’s obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement

of, a Lender or an Issuing Bank, the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations under this Agreement and the other Loan Documents.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) Each Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.14, 2.16 or 2.17, or otherwise) prior to (i) in the case of payments denominated in US Dollars, 2:00 p.m., New York City time (or such other time as may be expressly provided in this Agreement), and (ii) in the case of payments denominated in an Alternative Currency, the Applicable Time specified by the Administrative Agent, in each case at the place of payment, on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may be deemed, in the discretion of the Administrative Agent, to have been received on the next succeeding Business Day for purposes of calculating interest thereon. Unless and until otherwise specified, all such payments shall be made to the Administrative Agent for the account of the applicable Lenders to such account as the Administrative Agent shall from time to time specify in one or more notices delivered to the Company, except that (A) payments to be made directly to an Issuing Bank or the Swingline Lender shall be so directly made, (B) payments pursuant to Sections 2.14, 2.16, 2.17 and 10.03 shall be made directly to the Persons entitled thereto and (C) payments pursuant to other Loan Documents shall be made to the Persons specified therein. Each such payment shall be made in US Dollars, except that the principal of and interest on any Loan or LC Disbursement denominated in any other currency shall, subject to Sections 2.05(e) and 2.05(o), be made in such currency. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans, participations in LC Disbursements or Swingline Loans or accrued interest on any of the foregoing (collectively "Claims") resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Claims than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Claims of the other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amounts of their respective Claims; provided that (i) if any such participations are purchased and all or

any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, unless the Lender from which such payment is recovered is required to pay interest thereon, in which case each Lender returning funds to such Lender shall pay its pro rata share of such interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or any other Loan Document (for the avoidance of doubt, as in effect from time to time), including Section 2.15, or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Claims to any assignee or participant, other than to the Company or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from a Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Overnight Rate.

(e) In the event that any financial statements delivered under Section 5.01(a) or 5.01(b), or any certificate delivered under Section 5.01(c), shall prove to have been materially inaccurate, and such inaccuracy shall have resulted in the payment of any interest or fees at rates lower than those that were in fact applicable for any period (based on the actual Leverage Ratio), then, if such inaccuracy is discovered prior to the termination of this Agreement, upon written notice from the Administrative Agent the Borrowers shall pay to the Administrative Agent, for distribution to the Lenders (or former Lenders) as their interests may appear, the accrued interest or fees that should have been paid but were not paid as a result of such misstatement.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.14 or gives a notice pursuant to Section 2.15, or if a Borrower is required to pay any Indemnified Taxes or additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.17, as the case may be, in the future or eliminate the illegality described in Section 2.15, as applicable, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not

otherwise be disadvantageous to such Lender. The Company hereby agrees to pay all reasonable costs and expenses incurred by such Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.14, (ii) a Borrower is required to pay any Indemnified Taxes or additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender gives a notice pursuant to Section 2.15, (iv) any Lender becomes a Defaulting Lender or (v) any Lender has failed to consent to a proposed amendment, waiver, discharge or termination that under Section 10.02 requires the consent of all the Lenders (or all the affected Lenders or all the Lenders of the affected Class) and with respect to which the Required Lenders (or, where applicable, a Majority in Interest of the Lenders of the affected Class) shall have granted their consent, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.14 or 2.17 which have already accrued) and obligations under this Agreement (or, in the case of any such assignment and delegation resulting from a failure to provide a consent as a Lender of an affected Class, all its interests, rights and obligations under this Agreement and the other Loan Documents as a Lender of such affected Class) to an assignee that shall assume such obligations (which assignee shall be an Eligible Assignee and may be another Lender, if a Lender accepts such assignment); provided that (A) the Company shall have received the prior written consent of the Administrative Agent (and, in the case of an assignment by a Global Tranche Lender, each Issuing Bank and the Swingline Lender), which consent shall not unreasonably be withheld, delayed or conditioned,

(B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (if applicable, in each case only to the extent such amounts relate to its interest as a Lender of a particular Class), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), (C) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (D) in the case of any such assignment resulting from the failure to provide a consent, the assignee shall have given such consent and, as a result of such assignment and any contemporaneous assignments and consents, the applicable amendment, waiver, discharge or termination can be effected. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Company, the Administrative Agent and the assignee and that the Lender required to make such assignment and delegation need not be a party thereto.

SECTION 2.20. Borrowing Subsidiaries. (a) On or after the Restatement Effective Date, the Company may designate (i) any Domestic Subsidiary, Swiss Subsidiary or Canadian Subsidiary or, with the prior written consent of each Global Tranche Lender, any other Subsidiary as a Global Tranche Borrower, or (ii) any Domestic Subsidiary as a US Tranche

Borrower, in each case by delivery to the Administrative Agent of a Borrowing Subsidiary Agreement executed by such Subsidiary and the Company, and upon such delivery such Subsidiary shall for all purposes of this Agreement be a Global Tranche Borrowing Subsidiary or a US Tranche Borrowing Subsidiary, as the case may be, and a party to this Agreement; provided, that the Company shall not designate any Swiss Subsidiary as a Global Tranche Borrower if the Swiss Twenty Non-Bank Rule would be violated upon the making of any Loan or other extension of credit hereunder to such Swiss Subsidiary. Any Borrowing Subsidiary shall continue to be a Global Tranche Borrowing Subsidiary or a US Tranche Borrowing Subsidiary, as the case may be, until the Company shall have executed and delivered to the Administrative Agent a Borrowing Subsidiary Termination with respect to such Subsidiary, whereupon such Subsidiary shall cease to be a Borrowing Subsidiary and a party to this Agreement.

Notwithstanding the foregoing, (A) no Borrowing Subsidiary Agreement shall become effective as to any Subsidiary (1) if, in the case of any Foreign Subsidiary, within 10 Business Days following the receipt of such Borrowing Subsidiary Agreement by such Global Tranche Lender, any Global Tranche Lender shall have advised the Administrative Agent and the Company that it is unlawful for such Lender, or inconsistent with its internal policies, to extend credit to such Subsidiary as provided herein and (2) until each Lender and Issuing Bank shall have received all documentation and other information with respect to such Subsidiary reasonably required under applicable “know your customer” and Anti-Corruption Laws or similar rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation, and if the Subsidiary is a “legal entity customer” under the Beneficial Ownership Regulation, a Beneficial Ownership Certification from such Borrowing Subsidiary, that shall have been requested by such Lender or Issuing Bank within 5 Business Days (or, in the case of any such Subsidiary that is a Foreign Subsidiary, 10 Business Days) following the receipt of such Borrowing Subsidiary Agreement by such Lender or Issuing Bank and (B) no Borrowing Subsidiary Termination will become effective as to any Borrowing Subsidiary until all Loans made to such Borrowing Subsidiary shall have been repaid, all Letters of Credit issued for the account of such Borrowing Subsidiary have been drawn in full or have expired and all amounts payable by such Borrowing Subsidiary in respect of LC Disbursements, interest and/or fees (and, to the extent notified by the Administrative Agent or any Lender, any other amounts payable under this Agreement by such Borrowing Subsidiary other than solely pursuant to any guarantee by such Borrowing Subsidiary) shall have been paid in full; provided that such Borrowing Subsidiary Termination shall be effective to terminate such Borrowing Subsidiary’s right to request or receive further Loans or other extensions of credit under this Agreement. As soon as practicable upon receipt of a Borrowing Subsidiary Agreement, the Administrative Agent shall send a copy thereof to each Global Tranche Lender or US Tranche Lender, as the case may be.

(b) The Company will not permit any Borrowing Subsidiary, for so long as it is a Borrowing Subsidiary, to cease to be a Wholly Owned Subsidiary

SECTION 2.21. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) the Commitment Fee shall cease to accrue on the unused portion of the Commitments of such Defaulting Lender pursuant to Section 2.11(a);

(b) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank or the Swingline Lender hereunder; third, to cash collateralize LC Exposure with respect to such Defaulting Lender in accordance with this Section; fourth, as the Company may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Company, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with this Section; sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Banks or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Borrower as a result of any judgment of a court of competent jurisdiction obtained by such Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrowers' obligations corresponding to such Defaulting Lender's LC Exposure and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (d) below; it being agreed that any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this clause (b) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto;

(c) the Commitments and Revolving Credit Exposures of such Defaulting Lender shall not be included in determining whether the Required Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 10.02); provided, that, except as otherwise provided in Section 10.02, this clause (c)

shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of each Lender or each Lender affected thereby;

(d) if any Swingline Exposure or LC Exposure exists at the time such Lender (if a Global Tranche Lender) becomes a Defaulting Lender then:

(i) the Swingline Exposure and LC Exposure of such Defaulting Lender (other than any portion thereof (x) attributable to Swingline Loans made by such Defaulting Lender or (y) with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.04(c) or 2.05(e)) shall be reallocated among the Global Tranche Lenders that are not Defaulting Lenders ratably in accordance with their respective Global Tranche Commitments, but only to the extent that, after giving effect to such reallocation, the Global Tranche Revolving Credit Exposure of any such Global Tranche Lenders would not exceed such Lender's Global Tranche Commitment;

(ii) if the reallocations described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Administrative Agent (x) prepay such Swingline Exposure and/or (y) cash collateralize for the benefit of the Issuing Banks only the Borrowers' obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.05(i) for so long as such LC Exposure is outstanding;

(iii) if the Borrowers cash collateralize any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrowers shall not be required to pay any LC Participation Fee to such Defaulting Lender pursuant to Section 2.11(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of such Defaulting Lender is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.11(a) and Section 2.11(b) shall be adjusted to give effect to such reallocation; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Banks or any other Lender hereunder, all LC Participation Fees payable under Section 2.11(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure attributable to Letters of Credit issued by each Issuing Bank) until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(e) so long as such Lender (if a Global Tranche Lender) is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and no Issuing Bank shall be required to issue, amend, extend or increase any Letter of Credit, unless it is satisfied that the related Swingline Exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Global Tranche Commitments of the Global Tranche

Lenders that are not Defaulting Lenders and/or cash collateral provided by the Borrowers in accordance with clause (d), and participating interests in any newly made Swingline Loan or any newly issued or increased Letter of Credit shall be allocated among Global Tranche Lenders in a manner consistent with clause (d)(i) above (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or Bail-In Action with respect to a Lender Parent of any Global Tranche Lender shall occur following the date hereof and for so long as such event shall continue or (ii) the Swingline Lender or an Issuing Bank has a good faith belief that any Global Tranche Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Global Tranche Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan and such Issuing Bank shall not be required to issue, amend, extend or increase any Letter of Credit, unless the Swingline Lender or such Issuing Bank, as the case may be, shall have entered into arrangements with the Borrowers or such Global Tranche Lender, reasonably satisfactory to the Swingline Lender or such Issuing Bank, as the case may be, to defease any risk to it in respect of such Global Tranche Lender hereunder.

In the event that the Administrative Agent, the Company and, in the case of a Defaulting Lender that is a Global Tranche Lender, the Swingline Lender and each Issuing Bank agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Global Tranche Lenders shall be readjusted to reflect the inclusion of such Lender's Global Tranche Commitment and on such date such Lender shall purchase at par such of the US Tranche Revolving Loans and/or Global Tranche Revolving Loans and such of the funded participations in Swingline Loans and LC Disbursements of the other Lenders as the Administrative Agent shall determine may be necessary in order for the Lenders to hold such Loans and participations in accordance with their applicable Tranche Percentages, and such Lender shall thereupon cease to be a Defaulting Lender (but shall not be entitled to receive any fees accrued during the period when it was a Defaulting Lender, and all amendments, waivers or modifications effected without its consent in accordance with the provisions of Section 10.02 and this Section during such period shall be binding on it).

The rights and remedies against, and with respect to, a Defaulting Lender under this Section 2.21 are in addition to, and cumulative and not in limitation of, all other rights and remedies that the Administrative Agent and each Lender, the Swingline Lender, any Issuing Bank, the Company or any other Borrower may at any time have against, or with respect to, such Defaulting Lender.

ARTICLE III

Representations and Warranties

The Company represents and warrants to the Lenders as to itself and each Subsidiary, and each Borrowing Subsidiary represents and warrants to the Lenders as to itself and its subsidiaries, as follows:

SECTION 3.01. Organization; Powers. The Company and each of the Subsidiaries (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has all requisite power and authority to carry on its business as now conducted and (c) is qualified to do business, and is in good standing, in every jurisdiction where such qualification is required, except, in each case (other than, as to any Borrowers, clause (a) above), where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's corporate powers and have been duly authorized by all necessary corporate or other organizational action and, if required, stockholder action. This Agreement has been duly executed and delivered by each Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrowers or such Loan Party, as the case may be, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. The Transactions

(a) do not require any consent or approval of, registration or filing with or any other action by any Governmental Authority, or the expiration of any waiting or similar period imposed by law or by any Governmental Authority, except such as have been obtained or made and are in full force and effect or have expired, as the case may be, (b) will not violate (i) any applicable law or regulation or any order of any Governmental Authority or (ii) the charter, by-laws or other organizational documents of the Company or any other Loan Party, (c) will not violate or result (alone or with notice or lapse of time, or both) in a default under any indenture, agreement or other instrument binding upon the Company or any Subsidiary or their assets, or give rise to a right thereunder to require any payment to be made by the Company or any Subsidiary, and (d) will not result in the creation or imposition of any Lien on any asset of the Company or any Subsidiary, except any Liens created under the Loan Documents, in each case under clauses (a), (b)(i) and (c) above, except to the extent that the foregoing, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.04. Financial Statements; No Material Adverse Change.

(a) The Company has heretofore furnished to the Lenders its consolidated balance sheet and statements of income, retained earnings and cash flows as of and for the fiscal year ended December 31, 2022, reported on by KPMG LLP, independent registered public accounting firm, and as of and for the fiscal quarter and the portion of the fiscal year ended June 30, 2023. Such financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company and its Consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to, in the case of such quarterly financial statements, normal year-end audit adjustments and the absence of footnotes.

(b) There has been no Material Adverse Change since December 31, 2022.

SECTION 3.05. Properties. (a) The Company and each Subsidiary has good title to, or valid leasehold interests in, all its real and personal properties and assets material to its business, except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize its properties and assets for their intended purposes and except for Liens permitted under Section 6.02.

(b) The Company and each Subsidiary owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property material to its business, and the use thereof by the Company and the Subsidiaries does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06. Litigation and Environmental Matters. (a) Except as disclosed on Schedule 3.06, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Company, threatened against or affecting the Company or any of the Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Transactions.

(b) Neither the Company nor any Subsidiary (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability, except, in each case, for failures and liabilities that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(c) Since the Restatement Effective Date, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has materially increased the likelihood of a Material Adverse Effect.

SECTION 3.07. Compliance with Laws. The Company and each Subsidiary is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property, except where the failure to be in compliance, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08. Investment Company Status. Neither the Company nor any other Loan Party is an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.09. Taxes. The Company and each Subsidiary has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) any Taxes that are being contested in good faith by appropriate proceedings and for which the Company or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the

failure to do so could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

SECTION 3.10. ERISA.

(a) No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect.

(b) Except as set forth in Schedule 3.10(b) and except as could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect, with respect to each employee benefit plan, program, or other arrangement providing compensation or benefits to any employee or former employee of the Company, any of its Subsidiaries or any Affiliate, which is subject to the laws of any jurisdiction outside of the United States (the “Foreign Plans”): (i) such Foreign Plan has been and will be maintained in all respects in accordance with all applicable requirements and all applicable laws, (ii) if intended to qualify for special tax treatment, such Foreign Plan meets and will meet all requirements for such treatment, (iii) if intended or required to be funded and/or book-reserved, such Foreign Plan is and will be fully funded and/or book-reserved, as appropriate, based upon reasonable actuarial assumptions, and (iv) no liability exists, shall exist or reasonably could be imposed upon the assets of the Company, any of its Subsidiaries or any Affiliate by reason of such Foreign Plan.

SECTION 3.11. Disclosure. (a) None of the reports, financial statements, certificates or other written information furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder (as modified or supplemented by other information so furnished), taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, the foregoing shall be limited to a representation and warranty that such information was prepared in good faith, subject to the express qualifications set forth in such projections, based upon assumptions believed by the Company to be reasonable at the time.

(b) As of the Restatement Effective Date, to the best knowledge of the Company, the information included in any Beneficial Ownership Certification provided on or prior to the Restatement Effective Date to any Lender in connection with this Agreement is true and correct in all material respects.

SECTION 3.12. Subsidiaries. Schedule 3.12 sets forth the name and jurisdiction of organization of, and the ownership of the Company and each other Subsidiary in, each Subsidiary, identifying each such Subsidiary that is a Loan Party, in each case as of the Restatement Effective Date.

SECTION 3.13. Solvency. On the Restatement Effective Date, (a) the fair value of the assets of each Loan Party exceeds its debts and liabilities, subordinated, contingent or otherwise; (b) the present fair saleable value of the property of each Loan Party is greater than the amount that will be required to pay the probable liability of its debts and other liabilities,

subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured; (c) each Loan Party is able to pay its debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured; and (d) no Loan Party has unreasonably small capital with which to conduct the business in which it is engaged as such business is now conducted and is proposed to be conducted following the Restatement Effective Date.

SECTION 3.14. Federal Reserve Regulations. No part of the proceeds of any Loan or any Letter of Credit will be used, whether directly or indirectly, for any purpose that entails a violation (including on the part of any Lender) of Regulation U or Regulation X. Not more than 25% of the assets subject to the restrictions of Sections 6.02 and 6.03 or any other provision hereof restricting the disposition of, or creation of Liens on, assets of the Company and the Subsidiaries will at any time consist of Margin Stock (as defined in Regulation U or Regulation X).

SECTION 3.15. Anti-Corruption Laws and Sanctions. The Company has implemented and maintains in effect policies and procedures designed to promote compliance by the Company, the Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Company and the Subsidiaries and, to the knowledge of the Company and in connection with their activities for the Company and the Subsidiaries, their respective officers, employees, directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects and are not knowingly engaged in any activity that would reasonably be expected to result in the Company or any Subsidiary being designated as a Sanctioned Person. None of (a) the Company, any Subsidiary or any of their respective directors or officers, or (b) to the knowledge of the Company, any agent or employee of the Company or any Subsidiary, in each case that will act in any capacity in connection with the credit facility established hereby, is a Sanctioned Person. No Borrowing or Letter of Credit, use of proceeds or other transaction contemplated by this Agreement will violate any Anti-Corruption Law or applicable Sanctions.

SECTION 3.16. Affected Financial Institutions. No Loan Party is an Affected Financial Institution.

ARTICLE IV

Conditions

SECTION 4.01. Restatement Effective Date. The amendment and restatement of the Existing Credit Agreement to be in the form hereof shall not become effective until the date on which each of the following conditions is satisfied (or waived in accordance with Section 10.02):

(a) The Administrative Agent (or its counsel) shall have received from each party hereto a counterpart of this Agreement signed on behalf of such party (which, subject to Section 10.06(b), may include any Electronic Signatures transmitted by emailed pdf or

any other electronic means that reproduces an image of an actual executed signature page).

(b) The Administrative Agent shall have received such documents and certificates as the Administrative Agent or its counsel may reasonably request relating to the organization, existence and good standing of each Loan Party, the authorization of the Transactions and any other legal matters relating to the Loan Parties, the Loan Documents or the Transactions, all in form and substance reasonably satisfactory to the Administrative Agent.

(c) The Administrative Agent shall have received a certificate, dated the Restatement Effective Date, of a responsible officer of the Company confirming as of the Restatement Effective Date (i) the accuracy of all representations and warranties of the Loan Parties in the Loan Documents and (ii) that there exists no Default, in each such case after giving effect to the Transactions that are to occur on the Restatement Effective Date.

(d) The Administrative Agent shall have received all fees and other amounts due and payable by any Loan Party on or prior to the Restatement Effective Date in connection with the transactions contemplated hereby, including, to the extent invoiced, reimbursement or payment of all out-of-pocket expenses agreed to be reimbursed or paid by any Loan Party.

(e) All loans outstanding under the Existing Credit Agreement on the Restatement Effective Date shall have been prepaid (subject to reborrowing on the terms set forth herein) and all interest and fees accrued to the Restatement Effective Date under the Existing Credit Agreement shall have been paid. Notwithstanding anything to the contrary herein or in the Existing Credit Agreement, each Lender that is a Lender (as defined in the Existing Credit Agreement) under the Existing Credit Agreement immediately prior to the Restatement Effective Date hereby waives any rights to receive payments pursuant to Section 2.16 of the Existing Credit Agreement in connection with the prepayment of loans to occur on the Restatement Effective Date.

(f) The Guarantee Requirement shall be satisfied. The Administrative Agent (or its counsel) shall have received from each party thereto a counterpart of (i) the Subsidiary Guarantee Agreement and (ii) the Indemnity, Subrogation and Contribution Agreement, in each case, signed on behalf of such party (which, subject to Section 10.06(b), may include any Electronic Signatures transmitted by emailed pdf or any other electronic means that reproduces an image of an actual executed signature page).

(g) The Administrative Agent shall have received a favorable written opinion (addressed to the Administrative Agent, the Issuing Banks and the Lenders and dated the Restatement Effective Date) of each of (i) Joseph M. Gaug, General Counsel of the Company, (ii) Homburger AG, Swiss counsel for the Loan Parties, (iii) Stewart McKelvey, Canadian counsel for the Loan Parties, and (iv) such special and local counsel as may be required by the Administrative Agent, in each case covering such matters

relating to the Loan Parties, the Loan Documents or the Transactions as the Administrative Agent shall reasonably request.

(h) The Administrative Agent shall have received all documentation and other information related to each Loan Party reasonably required by the Administrative Agent and each Lender under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation and, if any of the Borrowing Subsidiaries is a “legal entity customer” under the Beneficial Ownership Regulation, a Beneficial Ownership Certification.

For purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to the Administrative Agent or any Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Restatement Effective Date specifying its objection thereto. The Administrative Agent shall notify the Borrowers and the Lenders of the Restatement Effective Date, and such notice shall be conclusive and binding.

SECTION 4.02. Conditions to All Extensions of Credit. The obligation of each Lender to make a Loan on the occasion of any Borrowing (but not the conversion or continuation of an outstanding Borrowing or the selection of a new Interest Period therefor, even if such conversion, continuation or selection results in a new “Loan” or “Borrowing”), and the obligation of each Issuing Bank to issue, amend or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) The representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct (i) in the case of the representations and warranties qualified as to materiality, in all respects and (ii) otherwise, in all material respects, in each case, on and as of the date of such Borrowing or the date of issuance, amendment or extension of such Letter of Credit, as applicable, except in the case of any such representation and warranty that expressly relates to a prior date, in which case such representation and warranty shall be so true and correct on and as of such prior date.

(b) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment or extension of such Letter of Credit, as applicable, no Default shall have occurred and be continuing.

The making of Loans (but not, for the avoidance of doubt, any conversion or continuation of any outstanding Loan) on the occasion of each Borrowing and each issuance, amendment or extension of a Letter of Credit shall be deemed to constitute a representation and warranty by the Company and each Borrowing Subsidiary on the date thereof that the conditions specified in paragraphs (a) and (b) of this Section have been satisfied.

(a) such transaction is effected within 180 days of the property being placed in service by the Company or such Subsidiary and results in a lease obligation incurred or assumed for the purpose of financing all or any part of the cost of acquiring such property, (b) after giving effect to such transaction, the aggregate fair market value of all property of the Company and its Subsidiaries so sold or transferred after the Restatement Effective Date, and not permitted under clause (a) above or clause (c) below, does not exceed US\$100,000,000 or (c) the Commitments shall be reduced (ratably as between the Tranches) pursuant to Section 2.08(b) by an amount at least equal to 75% of the Net Proceeds of such transaction; provided that if the Company shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Company and the Subsidiaries intend to apply the Net Proceeds from such transaction (or a portion thereof specified in such certificate), within 180 days after receipt of such Net Proceeds, to acquire real property, equipment or other assets to be used in the business of the Company and the Subsidiaries, and certifying that no Default has occurred and is continuing, then no reduction of the Commitments shall be required pursuant to this clause (c) in respect of the Net Proceeds of such transaction (or the portion of such Net Proceeds specified in such certificate, if applicable) except to the extent of any Net Proceeds therefrom that have not been so applied by the end of such 180-day period, at which time a reduction of the Commitments shall be required in an amount equal to 75% of such Net Proceeds not so applied.

SECTION 6.07. Investments, Loans, Advances, Guarantees and Acquisitions. The Company will not, and will not permit any of the Subsidiaries to, purchase, hold or acquire (including pursuant to any merger, consolidation or amalgamation with any Person that was not a

Subsidiary prior to such merger, consolidation or amalgamation) any Equity Interests, evidences of Indebtedness or other securities (other than any Hedging Agreement entered into in the ordinary course of business) of, make or permit to exist any loans or advances (excluding accounts receivable arising out of the sale of goods and services reflected on the Company's consolidated balance sheet as current assets) to, Guarantee any obligations of, or make or permit to exist any other investment in, any other Person, or consummate any Acquisition, except:

(d) acquisitions of assets of or Equity Interests or other investments in other Persons, and loans or advances to Subsidiaries to provide funds required to effect such acquisitions or other investments, if, at the time of and after giving pro forma effect to each such acquisition or other investment, to any related Leverage Increase Election and to any related incurrences of Indebtedness, (i) the Leverage Ratio does not exceed the maximum Leverage Ratio in effect at such time under Section 6.08 and (ii) no Default shall have occurred and be continuing;

(e) (i) any Guarantee, investment, loan or advance by a Loan Party of, in or to another Loan Party; (ii) any Guarantee, investment, loan or advance by a Subsidiary that is not a Loan Party, or that is a Borrower that is a Foreign Subsidiary, of, in or to a Loan Party; (iii) any Guarantee, investment, loan or advance by any Subsidiary that is not a Loan Party, or that is a Borrower that is a Foreign Subsidiary, of, in or to any other Subsidiary that is not a Loan Party or that is a Borrower that is a Foreign Subsidiary;

(iv) any other Guarantee, investment, loan or advance by any Loan Party of, in or to any Subsidiary that is not a Loan Party, provided that each Guarantee, investment, loan or advance referred to in this clause (iv) made after the Restatement Effective Date must be in an outstanding principal amount that, together with the aggregate outstanding principal amount of all other Guarantees, investments, loans and advances permitted by this clause (iv) and made after the Restatement Effective Date, but net of all amounts paid by such non-Loan Party Subsidiaries in or to one or more Loan Parties after the Restatement Effective Date that constitute repayments of loans or advances made by such Loan Parties or returns of capital (as opposed to returns on capital) invested by such Loan Parties, shall not exceed US\$100,000,000 and (v) in addition to Guarantees, investments, loans and advances permitted under the preceding clauses (i) through (iv), (A) any Permitted AEC Transaction and (B) any Guarantee, investment, loan or advance by any Loan Party (whether directly or indirectly through one or more intervening Subsidiaries that are not Loan Parties) of, in or to an AEC Joint Venture Entity, provided that each Guarantee, investment, loan or advance referred to in this clause (v)(B) made after the Restatement Effective Date must be in an outstanding principal amount that, together with the aggregate outstanding principal amount of all other Guarantees, investments, loans and

advances permitted by such clause (v)(B) and made after the Restatement Effective Date, but net of all amounts paid by such AEC Joint Venture Entity to one or more Loan Parties after the Restatement Effective Date that constitute repayments of loans or advances made by such Loan Parties or returns of capital (as opposed to returns on capital) invested by such Loan Parties, shall not exceed US\$100,000,000;

(a) Guarantees by a Subsidiary constituting Indebtedness permitted by Section 6.01 (provided that a Subsidiary shall not Guarantee any obligation of the Company unless such Subsidiary also has Guaranteed the Obligations of the Company hereunder) and Guarantees by the Company of Indebtedness or other obligations of a Subsidiary not prohibited by Section 6.01;

(b) Guarantees by the Company (i) of obligations to Bank of America, N.A., of AIH under the Amended and Restated Limited Guaranty and Indemnity Agreement dated as of May 1, 2015 (as amended from time to time) between the Company and Bank of America, N.A., in respect of overdrafts or currency hedging transactions in an aggregate amount not to exceed US\$20,000,000 at any time, and (ii) of credit card exposure in an aggregate amount not to exceed US\$10,000,000;

(c) investments received in connection with the bankruptcy or reorganization of, or settlement of delinquent accounts and disputes with, customers and suppliers, in each case in the ordinary course of business;

(d) loans or other advances to employees consistent with past practice; and

(e) other investments and Acquisitions not permitted under clauses (a) through (i) above in an aggregate amount not exceeding US\$75,000,000 at any time.

SECTION 6.08. Leverage Ratio.

(a) Subject to Section 6.08(b), the Company will not permit the Leverage Ratio, determined as of the end of each of its fiscal quarters for which (or, if such fiscal quarter is the last fiscal quarter of a fiscal year, for such fiscal year) financial statements have been delivered, or are required to have been delivered, pursuant to Section 5.01(a) or 5.01(b) (commencing with the fiscal quarter ended June 30, 2023), to exceed 3.75 to 1.00 (the "Permitted Leverage Ratio Level").

(b) If, in any fiscal quarter ending after the Restatement Effective Date, the Company or any Subsidiary shall complete an Acquisition for cash consideration of US\$100,000,000 or more, that on a pro forma basis, taking into account any related incurrence or repayment of Indebtedness, would result in an increase in the Leverage Ratio, the Company may elect, by written notice delivered to the Administrative Agent at the time of or within 30 days following such completion (a "Leverage Increase Election"), to increase the Permitted Leverage Ratio Level by 0.50 to 1.00 (so that the Permitted Leverage Ratio Level becomes 4.25 to 1.00), with respect to the fiscal quarter during which such Acquisition has been completed and for each of the following three consecutive fiscal quarters (the fiscal quarters during which any such increase in the Leverage Ratio shall be in effect being called a "Leverage Increase Period"); provided

that not more than three Leverage Increase Elections may be effected since the Restatement Effective Date.

(c) The Company may terminate any Leverage Increase Period by a notice delivered to the Administrative Agent (a "Leverage Increase Termination Notice"), whereupon, on the last day of the fiscal quarter during which such Leverage Increase Termination Notice was delivered, the Permitted Leverage Ratio Level shall revert to 3.75 to 1.00, until the commencement of another Leverage Increase Period pursuant to this Section 6.08.

(d) If a Leverage Increase Election shall have been made under this Section 6.08, the Company may not make another Leverage Increase Election unless, following the expiration or termination of the most recent prior Leverage Increase Period, at least two consecutive full fiscal quarters of the Company have elapsed.

SECTION 6.09. Interest Coverage Ratio. The Company will not permit the Interest Coverage Ratio, determined as of the end of each of its fiscal quarters for which (or, if such fiscal quarter is the last fiscal quarter of a fiscal year, for such fiscal year) financial statements have been delivered, or are required to have been delivered, pursuant to Section 5.01(a) or 5.01(b) (commencing with the fiscal quarter ended June 30, 2023), to be less than 3.00 to 1.00.

SECTION 6.10. Lines of Business. The Company will not, and will not permit any of the Subsidiaries to, engage at any time in any business or business activity other than a business conducted by the Company and its Subsidiaries on the Restatement Effective Date and business activities reasonably related thereto.

ARTICLE VIII__

The Administrative Agent

SECTION 8.01. Authorization and Action; Reliance; Limitation of Liability.

(a) Each of the Lenders and the Issuing Banks hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent under the Loan Documents. Each of the Lenders and the Issuing Banks hereby irrevocably authorizes the Administrative Agent to take such actions on behalf of such Lender or such Issuing Bank and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender and each Issuing Bank hereby authorizes the Administrative Agent (x) to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents and (y) to release any Subsidiary Guarantor from its obligations under the Subsidiary Guarantee Agreement and the Indemnity, Subrogation and Contribution Agreement in accordance with the terms thereof.

(b) The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (i) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (ii) as to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon

each Lender and each Issuing Bank; provided that the Administrative Agent shall not be required to take any action that (A) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner reasonably satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (B) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided further that the Administrative Agent may seek clarification or direction from the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided, and (iii) except as expressly set forth in the Loan Documents, the Administrative Agent shall have no duty to disclose, and the Administrative Agent shall not be liable for the failure to disclose, any information relating to the Company or any of its Subsidiaries or other Affiliates that is communicated to or obtained by the institution serving as Administrative Agent or any of its Affiliates in any capacity. Neither the Administrative Agent nor any of its Related Parties shall be liable for any action taken or not taken by the Administrative Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction in a final and nonappealable judgment). The Administrative Agent shall not be deemed to have knowledge of (x) any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof, stating that it is a “notice under Section 5.02” in respect of this Agreement and identifying the specific clause under such Section, is given to the Administrative Agent by the Company or (y) any Default unless and until written notice thereof (stating that it is a “notice of default”) is given to the Administrative Agent by the Company or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (A) any recital, statement, warranty or representation made in or in connection with any Loan Document, (B) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (D) the sufficiency, value, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent’s reliance on any Electronic Signature transmitted by emailed pdf or any other electronic means that reproduces an image of an actual executed signature page) or (E) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Nothing in this Agreement or any other Loan Document shall require the Administrative Agent

to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Banks (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. The motivations of the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Company and its Subsidiaries. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender or any Issuing Bank other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties), and each Lender and Issuing Bank agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement, any other Loan Document and/or the transactions contemplated hereby or thereby; and

(ii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender or Issuing Bank for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(d) The Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 10.04, (ii) may rely on the Register to the extent set forth in Section 10.04(b) and (iii) in determining compliance with any condition hereunder to the making of a Loan, or the issuance, amendment or extension of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank sufficiently in advance of the making of such Loan or the issuance, amendment or extension of such Letter of Credit. Notwithstanding anything herein to the contrary, the Administrative Agent shall not have any liability arising from, or be responsible for any loss, cost or expense suffered by any Person on account of, (i) any confirmation of the Revolving Credit Exposure, the component amounts thereof or any Exchange Rate, LC Exchange Rate or US Dollar Equivalent, (ii) any determination that any Lender is a Defaulting Lender, or the effective date of such status, it being further understood and agreed that the Administrative Agent shall not have any obligation to determine whether any Lender is a

Defaulting Lender or (iii) any determination made by the Administrative Agent of the Foreign Currency Overnight Rate, the Central Bank Rate or the Central Bank Rate Adjustment. The Administrative Agent shall be deemed to have no knowledge of any Lender being a Restricted Lender unless and until the Administrative Agent shall have received the written notice from such Lender referred to in Section 1.07, and then only as and to the extent specified in such notice, and any determination of whether the Required Lenders or any other requisite Lenders shall have provided a consent or direction in connection with this Agreement shall not be affected by any delivery to the Administrative Agent of any such written notice subsequent to such consent or direction being provided by the Required Lenders or other requisite Lenders.

(e) The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for acting upon, any notice, request, certificate, consent, statement, instrument, document or other writing (which writing may be any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon, and shall not incur any liability for acting upon, any statement made to it orally or by telephone and believed by it to be made by the proper Person. The Administrative Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(f) The Administrative Agent may perform any and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article VIII shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the revolving credit facility provided for herein as well as activities as the Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(g) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Disbursements and all other obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and

the Administrative Agent allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 10.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Loans or other amounts outstanding hereunder or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

SECTION 8.02. Posting of Communications. (a) The Borrowers agree that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders and the Issuing Banks by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the “Approved Electronic Platform”).

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Restatement Effective Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrowers acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender or any Issuing Bank that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, the Issuing Banks and the Borrowers hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION

WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, THE ARRANGERS OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "APPLICABLE PARTIES") HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED ELECTRONIC PLATFORM.

(d) Each Lender and each Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender or Issuing Bank for purposes of the Loan Documents. Each Lender and Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender's or Issuing Bank's, as applicable, email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(e) Each of the Lenders, the Issuing Banks and the Borrowers agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(f) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 8.03. The Administrative Agent Individually. With respect to its Commitments, any Loans made by it hereunder or Letters of Credit issued by it, the Person serving as the Administrative Agent in its individual capacity and not as Administrative Agent shall have the same rights and powers as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent, and the Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent and without any duty to account therefor to the Lenders or the Issuing Banks.

SECTION 8.04. Successor Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by providing 30 days' notice of such resignation to the Lenders, the Issuing Banks and the Company. Upon any such resignation, the Required Lenders shall have the right, with the consent of the Company (which shall not be unreasonably withheld or delayed and shall not be required if an Event of Default shall have occurred and is continuing), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring

Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 10.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

SECTION 8.05. Acknowledgements of Lenders and Issuing Banks.

(a) Each Lender and each Issuing Bank acknowledges that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) in participating as a Lender, it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, in each case in the ordinary course of business, and not for the purpose of investing in the general performance or operations of the Company and its Subsidiaries, or for the purpose of purchasing, acquiring or holding any other type of financial instrument such as a security (and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing, such as a claim under the federal or state securities law),

(iii) it has, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender or Issuing Bank, and to make, acquire or hold Loans or issue Letters of Credit hereunder and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain MNPI) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement, or delivering its signature page to an Assignment and Assumption or an Accession Agreement pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Restatement Effective Date.

SECTION 8.06. Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Loan Parties, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such a Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Loan Parties, that none of the Administrative Agent, any Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such

Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(c) The Administrative Agent and each Arranger hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 8.07. Erroneous Payments. (a) Each Lender and Issuing Bank hereby agrees that (i) if the Administrative Agent notifies such Lender or Issuing Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or Issuing Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender or such Issuing Bank (whether or not known to such Lender or Issuing Bank), and demands the return of such Payment (or a portion thereof), such Lender or Issuing Bank, as the case may be, shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the Overnight Rate and (ii) to the extent permitted by applicable law, such Lender or Issuing Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender or Issuing Bank under this paragraph shall be conclusive, absent manifest error.

(b) Each Lender and Issuing Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (i) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (ii) that

was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and Issuing Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or Issuing Bank, as the case may be, shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the Overnight Rate.

(c) The Borrowers hereby agree that (i) in the event an erroneous Payment (or portion thereof) is not recovered from any Lender or Issuing Bank that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender or Issuing Bank with respect to such amount and (ii) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers.

(d) Each party's obligations under this Section 8.07 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.08. Miscellaneous. (a) The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks and, except solely to the extent of the Company's consent rights pursuant to and subject to the conditions set forth in this Article, none of the Loan Parties or any of their respective Affiliates shall have any rights as a third party beneficiary of any such provisions.

(b) None of the Arrangers, the Co-Syndication Agents or the Co-Documentation Agents shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document (except in its capacity, as applicable, as the Administrative Agent, a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities and exculpatory provisions provided for hereunder or under the other Loan Documents.

ARTICLE IX

Guarantee

In order to induce the Lenders to make Loans hereunder and the Issuing Banks to issue the Letters of Credit, the Company hereby irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Obligations. The Company further agrees that the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its

Guarantee hereunder notwithstanding any such extension or renewal of any Obligation. Each and every default in payment of the principal of and premium, if any, or interest on any Obligation shall give rise to a separate cause of action hereunder, and separate suits may be brought hereunder as each cause of action arises. The Company waives presentment to, demand of payment from and protest to any Borrowing Subsidiary or any other Loan Party of any of the Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

The obligations of the Company hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full in cash of the Obligations), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever, by reason of the invalidity, illegality or unenforceability of the Obligations, any impossibility in the performance of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of the Company hereunder shall not be affected by (a) the failure of any Lender, any Issuing Bank, the Administrative Agent or any other Person to whom any of the Obligations are or shall be owed (collectively, the “Guarantee Beneficiaries”) to assert any claim or demand or to enforce or exercise any right or remedy under the provisions of this Agreement, any other Loan Document or otherwise, (b) any extension or renewal of any of the Obligations, (c) any rescission, waiver, amendment or modification of, or release from any of the terms or provisions of, this Agreement, any Borrowing Subsidiary Agreement, any other Loan Document or any other agreement, (d) any default, failure or delay, willful or otherwise, in the performance of the Obligations or (e) any other act, omission or delay to do any other act which may or might in any manner or to any extent vary the risk of the Company or otherwise operate as a discharge of the Company as a matter of law or equity (other than the indefeasible payment in full in cash of the Obligations) or which would impair or eliminate any right of the Company to subrogation.

The Company further agrees that its guarantee hereunder constitutes a guarantee of payment when due (whether or not any bankruptcy or similar proceeding shall have stayed the accrual or collection of any of the Obligations or operated as a discharge thereof) and not merely of collection, and waives any right to require that any resort be had by any Guarantee Beneficiary to any balance of any deposit account or credit on the books of any Guarantee Beneficiary in favor of any Borrower, any other Loan Party or any other Person.

To the fullest extent permitted by applicable law, the Company waives any defense based on or arising out of any defense of any Borrower or any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Borrower or any other Loan Party, other than the indefeasible payment in full in cash of all the Obligations. The Guarantee Beneficiaries may, at their election, compromise or adjust any part of the Obligations, make any other accommodation with any Borrower or any other Loan Party or exercise any other right or remedy available to them against any Borrower or any other Loan Party, without affecting or impairing in any way the liability of the Company hereunder except to the extent the Obligations have been fully and indefeasibly paid in cash. To the fullest extent permitted by applicable law, the Company waives any defense arising out of any such election even though such election operates, pursuant to applicable law,

to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of the Company against any Borrower or any other Loan Party, as the case may be.

The Company further agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by any Guarantee Beneficiary upon the bankruptcy or reorganization of any Borrower or otherwise.

In furtherance of the foregoing and not in limitation of any other right that any Guarantee Beneficiary may have at law or in equity against the Company by virtue hereof, upon the failure of any Borrowing Subsidiary or any other Loan Party to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, the Company hereby promises to and will, upon receipt of written demand by the Administrative Agent, forthwith pay, or cause to be paid, to the Administrative Agent for distribution to the applicable Guarantee Beneficiaries in cash an amount equal to the sum of

(i) the unpaid principal amount of such Obligations then due, (ii) accrued and unpaid interest and fees on such Obligations and (iii) all other monetary Obligations then due. The Company further agrees that if payment in respect of any Obligation shall be due in a currency other than US Dollars and/or at a place of payment other than New York and if, by reason of any Change in Law, disruption of currency or foreign exchange markets, war or civil disturbance or similar event, payment of such Obligation in such currency or at such place of payment shall be impossible or, in the judgment of any Guarantee Beneficiary, not consistent with the protection of its rights or interests, then, at the election of such Guarantee Beneficiary, the Company shall make payment of such Obligation in US Dollars (based upon the applicable Exchange Rate in effect on the date of payment) and/or in New York, and shall indemnify such Guarantee Beneficiary against any losses or expenses that it shall sustain as a result of such alternative payment.

Upon payment in full by the Company of any Obligation, each Lender shall, in a reasonable manner, assign to the Company the amount of such Obligation owed to it and so paid, such assignment to be pro tanto to the extent to which the Obligation in question was discharged by the Company, or make such disposition thereof as the Company shall direct (all without recourse to any Guarantee Beneficiary and without any representation or warranty by any Guarantee Beneficiary).

Upon payment by the Company of any sums to the Administrative Agent as provided above, all rights of the Company against any Borrowing Subsidiary or any other Loan Party arising as a result thereof by way of right of subrogation or otherwise shall in all respects be subordinated and junior in right of payment to the prior indefeasible payment in full in cash of all the Obligations owed by such Borrowing Subsidiary or such other Loan Party to the Guarantee Beneficiaries.

Nothing shall discharge or satisfy the liability of the Company hereunder except the full performance and payment of the Obligations.

Each reference herein to any Guarantee Beneficiary shall be deemed to include their or its successors and assigns, in whose favor the provisions of this Guarantee shall also inure.

(d) Any party hereto may change its address, telephone number or email for notices and other communications hereunder by notice to the other parties hereto (or, in the case of any change by a Lender or an Issuing Bank, by notice to the Company and the Administrative Agent).

SECTION 10.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in paragraph (c) of this Section, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Company and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall (i) increase any Commitment of any Lender, or change the currency in which Loans are available thereunder, without the written consent of such Lender, (ii) reduce the principal amount of any Loan or LC Disbursement, reduce the rate of interest thereon or reduce any fees payable hereunder (in each case, other than as a result of any change in the definition, or in any components thereof, of the term "Leverage Ratio"), without the written consent of each Lender affected thereby,

(iii) postpone the date of any scheduled payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment (in each case, other than as a result of any change in the definition, or in any components thereof, of the term "Leverage Ratio"), or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby, (iv) change Section 2.18(b) or 2.18(c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender affected thereby, (v) change any of the provisions of this Section or the percentage set forth in the definition of the term "Required Lenders" or "Majority in Interest" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), provided that, with the consent of the Required Lenders, the provisions of this Section and the definition of the term "Required Lenders" or "Majority in

Interest” may be amended to include references to any new class of commitments created under this Agreement (or to lenders extending such commitments) on substantially the same basis as the corresponding references relating to the existing Lenders, (vi) release (A) the Company from its obligations as a Guarantor hereunder or (B) all or substantially all the Subsidiary Guarantors from their obligations under the Subsidiary Guarantee Agreement, in each case, without the written consent of each Lender, (vii) subordinate the Obligations to any other Indebtedness without the consent of each affected Lender, (viii) change any provision of any Loan Document in a manner that by its terms adversely affects the rights in respect of payments or prepayments due to Lenders of any Class differently than Lenders of the other Class, without the written consent of Lenders representing a Majority in Interest of the adversely affected Class or (ix) amend the definition of the term “Alternative Currency” or “Global Tranche Borrower”, or amend Section 2.20, without the written consent of each Global Tranche Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or the Swingline Lender without the prior written consent of the Administrative Agent, such Issuing Bank or the Swingline Lender, as the case may be.

(c) Notwithstanding anything to the contrary in paragraph (b) of this Section:

(i) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Company, the Required Lenders and the Administrative Agent (and, if their rights or obligations are affected thereby, the Issuing Banks and the Swingline Lender) if (A) by the terms of such agreement the applicable Commitment or Commitments of each Lender not consenting to the amendment provided for therein shall terminate upon the effectiveness of such amendment and (B) at the time such amendment becomes effective, each Lender not consenting thereto receives payment in full of the principal of and interest accrued on each Loan made by it and all other amounts owing to it or accrued for its account under this Agreement;

(ii) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Company and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency so long as, in each case, the Lenders shall have received at least five Business Days’ prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment;

(iii) no consent with respect to any amendment, waiver or other modification of this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) set forth in paragraph (b) of this Section and then only in the event such Defaulting Lender shall be affected by such amendment, waiver or other modification;

(iv) any amendment, waiver or other modification of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement or such

Loan Document of the Lenders of one Class (but not the Lenders of the other Class) may be effected by an agreement or agreements in writing entered into by the Company (and, in the case of any other Loan Document, the other Loan Parties party thereto to the extent such other Loan Parties are directly affected thereby) and the requisite number or percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.02 if such Class of Lenders were the only Class of Lenders hereunder at that time;

(v) this Agreement may be amended as provided in Sections 2.08(d), 2.13(b) and 2.20; and

(vi)(A) this Agreement and the other Loan Documents may be amended in the manner provided in Section 2.05(j) or 2.05(k), the term “LC Commitment”, as such term is used in reference to any Issuing Bank, may be modified as contemplated by the definition of such term, and (B) the Issuing Bank Agreement of any Issuing Bank may be amended as agreed by the Company, the Administrative Agent and such Issuing Bank.

(d) The Administrative Agent may, but shall have no obligation to, with the consent of any Lender, execute amendments, waivers or other modifications on behalf of such Lender. Any amendment, waiver or other modification effected in accordance with this Section 10.02 shall be binding upon each Person that is at the time thereof a Lender and each Person that subsequently becomes a Lender.

SECTION 10.03. Expenses; Indemnity; Limitation of Liability. (a) The Borrowers agree, jointly and severally, to pay (i) all reasonable out-of-pocket expenses incurred by the Arrangers, the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Arrangers and the Administrative Agent, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent, any Issuing Bank or any Lender, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Borrowers agree, jointly and severally, to indemnify each Arranger, the Administrative Agent, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all Liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby or

thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Company or any of its Subsidiaries, or any Environmental Liability related in any way to the Company or any of its Subsidiaries, or (iv) any actual or prospective Proceeding relating to any of the foregoing, regardless of whether any Indemnitee is a party to any such Proceeding, whether any such Proceeding is brought by a third party or by a Borrower or any of its Affiliates or whether any such Proceeding is based on contract, tort or any other theory; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such Liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or a Related Party of such Indemnitee. This paragraph shall not apply with respect to Taxes other than any Taxes that represent Liabilities arising from any non-Tax claim.

(c) Each Lender severally agrees to the extent that the Borrowers fail to pay any amount required to be paid by them to the Administrative Agent (or any sub-agent thereof), any Issuing Bank or the Swingline Lender under paragraph (a) or (b) of this Section, to pay to the Administrative Agent (or such sub-agent), such Issuing Bank, the Swingline Lender or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified Liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or such sub-agent), such Issuing Bank or the Swingline Lender, as the case may be, in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), any Issuing Bank or the Swingline Lender in connection with such capacity. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the sum of the Aggregate Revolving Credit Exposure and unused Commitments at the time (provided, that for purposes of the foregoing, in determining the Global Tranche Revolving Credit Exposure of the Lender that is the Swingline Lender, the Swingline Exposure of such Lender shall be deemed to equal its Global Tranche Percentage of all outstanding Swingline Loans).

(d) To the extent permitted by applicable law, (i) the Borrowers shall not assert, and each of the Borrowers hereby waives, any claim against any Lender-Related Person for any Liabilities arising from the use by others of information or other materials (including any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet and the Approved Electronic Platform), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with or as a result of this Agreement, any other Loan Document, any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that nothing in this paragraph shall relieve any Borrower or any other Loan Party of any

obligation it may have to indemnify an Indemnitee as provided in paragraph (b) of this Section or in any other Loan Document.

(e) Notwithstanding any reference in paragraph (a) or (b) of this Section to the joint and several liability of the Borrowers, each Swiss Borrowing Subsidiary shall be liable under this Section 10.03 only for amounts attributable directly to such Swiss Borrowing Subsidiary and its own direct or indirect subsidiaries.

(f) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 10.04. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), except that (i) no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any such attempted assignment or transfer by a Loan Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the sub-agents of the Administrative Agent and the Related Parties of any of the Administrative Agent, any sub-agent thereof, the Co-Syndication Agents, the Co-Documentation Agents, the Arrangers, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) of this Section, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment under any Tranche and the Loans and other amounts at the time owing to it under any Tranche) with the prior written consent (such consent not to be unreasonably withheld or delayed, with the understanding that it is, for example, not unreasonable to withhold the consent if such assignment would result in a breach of the Swiss Ten Non-Bank Rule) of:

(A) the Company; provided that the Company shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after receiving written notice thereof; and provided further that no consent of the Company shall be required for an assignment to a Lender, an Affiliate of a Lender (if such Affiliate is a Qualifying Bank) or, if an Event of Default has occurred and is continuing, any other assignee; and

(B) the Administrative Agent and, in the case of assignments under the Global Tranche, each Issuing Bank and the Swingline Lender; provided that (x) no consent of the Administrative Agent shall be required for an assignment of any Commitment to an assignee that is a Lender or an Affiliate of a Lender with a

Commitment immediately prior to giving effect to such assignment, (y) no consent of an Issuing Bank shall be required if an Event of Default occurs with respect to the Company under clause (h) or (i) of Article VII and such Issuing Bank has no outstanding Letters of Credit at the time of the applicable assignment and (z) no consent of the Swingline Lender shall be required if an Event of Default occurs with respect to the Company under clause (h) or (i) of Article VII and the Swingline Lender has no outstanding Swingline Loans at the time of the applicable assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than US\$5,000,000 unless each of the Company and the Administrative Agent otherwise consents; provided that (x) no such consent of the Company shall be required if an Event of Default has occurred and is continuing and

(y) the Company shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received written notice thereof;

(A) each partial assignment of a Commitment and extensions of credit under a Tranche shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under such Tranche;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption (or an agreement incorporating by reference a form of Assignment and Assumption posted on the Approved Electronic Platform), together with a processing and recordation fee of US\$3,500; and

(C) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain MNPI) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption (or an agreement incorporating by reference a form of Assignment and Assumption posted on the Approved Electronic Platform) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's

rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.16, 2.17 and 10.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption (or an agreement incorporating by reference a form of Assignment and Assumption posted on the Approved Electronic Platform) delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption (or an agreement incorporating by reference a form of Assignment and Assumption posted on the Approved Electronic Platform) executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of any Borrower, the Administrative Agent, any Issuing Bank or the Swingline Lender, sell participations to one or more Eligible Assignees (each a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment under any Tranche and the Loans and other amounts at the time owing to it under any Tranche); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 2.17(e) with respect to any payments made by such Lender to its Participants. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not,

without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 10.02(b) that affects such Participant. Subject to paragraph (c)(ii) of this Section, each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining any Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.14 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Company's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless the applicable Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the applicable Borrower, to comply with Section 2.17(f) as though it were a Lender.

(a) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(b) Notwithstanding paragraphs (a), (b) and (c) of this Section, but subject to paragraph (f) of this Section, with respect to any Swiss Borrowing Subsidiary, each Global Tranche Lender agrees that it will not (within the meaning of paragraphs (a), (b) and (c) of this Section) (i) make any assignment of, (ii) sell a participation or sub-participation in or (iii) substantially transfer its rights and obligations under a Global Tranche Commitment, a Global Tranche Loan to, or a participation in an LC Disbursement for the account of, any Swiss Borrowing Subsidiary, in each case to a Person that (x) has not represented in writing that it is a Qualifying Bank and (y) agreed in writing that it will not make further assignments or sales of participations and sub-participations in any of such interests and will not enter into any other arrangements under which it substantially transfers its rights and obligations under this Agreement in respect of any such interests, other than to or with Persons who themselves represent in writing that they are Qualifying Banks and agree to observe identical restrictions, except, in each case set forth above, with the prior written consent of the Company and each Swiss Borrowing Subsidiary (such consent not to be unreasonably withheld, but it being

understood that such consent will be deemed reasonably withheld if such assignment would result in a breach of the Swiss Withholding Tax Rules); provided that, notwithstanding the forgoing, nothing in this paragraph shall restrict any Lender holding a Global Tranche Commitment, a Global Tranche Loan to, or a participation in a LC Disbursement for the account of, any Swiss Borrowing Subsidiary, from entering into a participation or sub-participation agreement or any other arrangement with any Person that is not a Qualifying Bank, provided that

(A) under such agreement throughout the life of such arrangement (1) the relationship between such Lender and that other Person is that of debtor and creditor (including in the bankruptcy or similar event of such Lender), (2) the other Person will have no proprietary interest in any such Loan to or LC Disbursement for the account of any Swiss Borrowing Subsidiary or in any monies received by such Lender in relation to any such Loan to or LC Disbursement for the account of any Swiss Borrowing Subsidiary held by such Lender, and (3) the other Person will under no circumstances (other than by way of permitted transfer under paragraph (b)(ii)(C) of this Section) be subrogated to, or substituted in respect of, such Lender's claims under any such Loan to or LC Disbursement for the account of any Swiss Borrowing Subsidiary or otherwise have any contractual relationship with, or rights against, the Swiss Borrowing Subsidiary under or in relation to, any such Loan to or LC Disbursement for the account of any Swiss Borrowing Subsidiary and (B) any such participation, sub-participation, or arrangement would not result in a relevant participation and/or sub-participation for the purposes of the Swiss Withholding Tax Rules.

(a) Notwithstanding paragraph (e) of this Section, following an Event of Default which is continuing, the restrictions set forth in such paragraph shall cease to apply and any assignments, sales of participations or sub-participations or other transfers that would otherwise be restricted by such paragraph will not be subject to any of the restrictions or conditions set forth in such paragraph and will not require any consent of the Company or any other Borrower.

SECTION 10.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement (other than contingent obligations not then due) is outstanding and unpaid or any LC Exposure is outstanding and so long as the Commitments have not expired or terminated in full. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement or any other Loan Document, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Global Tranche Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the applicable Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank, or being supported by a letter of credit that names such Issuing Bank as the beneficiary

thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a “Letter of Credit” outstanding hereunder for all purposes of this Agreement and the other Loan Documents (including for purposes of determining whether the Borrowers are required to comply with Articles V and VI hereof, but excluding for purposes of Sections 2.14, 2.16, 2.17 and 10.03 and any expense reimbursement or indemnity provisions set forth in any other Loan Document), and the Global Tranche Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(d) or 2.05(e). The provisions of Sections 2.14, 2.16, 2.17 and 10.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 10.06. Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof (but do not supersede the provisions of any fee letter or any provisions of any commitment letter that by the terms of such document survive the execution and delivery of this Agreement). Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of this Agreement, any other Loan Document or any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 10.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document or the transactions contemplated hereby or thereby (each, an “Ancillary Document”) that is an Electronic Signature transmitted by emailed pdf or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution”, “signed”, “signature”, “delivery” and words of like import in or relating to this Agreement, any other Loan Document or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by emailed pdf or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders and the Issuing Banks shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Company or any other Loan Party without

further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, each Borrower hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Issuing Banks, the Company and the other Loan Parties, Electronic Signatures transmitted by emailed pdf or any other electronic means that reproduces an image of an actual executed signature page or any electronic images of this Agreement, any other Loan Document or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) agrees that the Administrative Agent and each of the Lenders and the Issuing Banks may, at its option, create one or more copies of this Agreement, any other Loan Document and any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record),

(C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document or such Ancillary Document, respectively, including with respect to any signature pages thereto, and (D) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent's and/or any Lender's or Issuing Bank's reliance on or use of Electronic Signatures or transmissions by emailed pdf or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Company or any other Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 10.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 10.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or Affiliate to or for the credit or the account of any Borrower against any of and all the obligations of the Borrowers at the time existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured or owed to a branch office or Affiliate of such Lender different from the branch office or Affiliate holding such deposit or obligated on such indebtedness. The rights of each Lender under this Section are in addition to other rights and remedies (including any other rights of setoff) which such Lender may have.

SECTION 10.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of the United States District Court of the Southern District of New York and of the Supreme Court of the State of New York, in each case, sitting in New York County, and, in each case, any appellate court from any thereof, in any suit, action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each party hereto hereby irrevocably and unconditionally agrees that, except as set forth in the final sentence of this paragraph, all claims arising out of or relating to this Agreement or any other Loan Document brought by it or any of its Affiliates shall be brought, and shall be heard and determined, exclusively in such Federal court or, if such Federal court lacks subject matter jurisdiction, in such New York State court. Each of the parties hereto agrees that a final judgment in any such suit, action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any suit, action or proceeding relating to this Agreement or any other Loan Document against any Loan Party that is a Foreign Subsidiary or its properties, in the courts of the jurisdiction of organization of such Loan Party.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such suit, action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(e) Each Borrower that is a Foreign Subsidiary hereby irrevocably designates, appoints and empowers the Company as its authorized designee, appointee and agent (the "Authorized Agent") to receive, accept and forward for and on its behalf service of any and all legal process, summons, notices and documents that may be served in any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document, and the Company hereby accepts such designation and appointment and hereby further accepts any similar designation and appointment made by any other Loan Party in any other Loan Document. Such service may be made by mailing a copy of such process to any such Borrower in the care of the Authorized Agent at the address of the Authorized Agent then be in effect under Section 10.01. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon any such Borrower.

(f) In the event that any Borrower that is a Foreign Subsidiary or any of its assets has or hereafter acquires, in any jurisdiction in which judicial proceedings may at any time be commenced with respect to this Agreement or any other Loan Document, any immunity from jurisdiction, legal proceedings, attachment (whether before or after judgment), execution, judgment or setoff, such Borrower hereby irrevocably agrees, to the extent permitted by law, not to claim and hereby irrevocably and unconditionally waives such immunity.

SECTION 10.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 10.12. Confidentiality. The Administrative Agent, each Issuing Bank and each Lender agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made shall be subject to a professional or other obligation of confidentiality or will be informed of the confidential nature of such Information and instructed to keep such Information confidential),

(b) to the extent requested by any Governmental Authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to the Company or any Subsidiary and their respective obligations or (iii) any credit insurance provider (or its Related Parties) to such Person, (g) with the consent of the Company, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than any Loan Party or (i) on a confidential basis to (i) any rating agency in connection with rating the Company or its Subsidiaries or the credit

facilities provided for herein or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of identification numbers with respect to the credit facilities provided for herein. For the purposes of this Section, “Information” means all information received from the Company or any other Loan Party relating to the Company, the Subsidiaries or their business, other than (i) any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by any Loan Party and (ii) information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 10.13. Conversion of Currencies. (a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of each party hereto in respect of any sum due to any other party hereto or any holder of the obligations owing hereunder (the “Applicable Creditor”) shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than the currency in which such sum is stated to be due hereunder (the “Agreement Currency”), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, such party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the parties contained in this Section shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

SECTION 10.14. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively, the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB Rate to the date of repayment, shall have been received by such Lender.

SECTION 10.15. Certain Notices. Each Lender and each Issuing Bank hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the name and address of the Borrowers and other information that will allow such Lender or Issuing Bank, as the case may be, to identify the Borrowers in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation.

SECTION 10.16. No Fiduciary Relationship. Each Borrower, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrowers, the Subsidiaries and their Affiliates, on the one hand, and the Administrative Agent, the Arrangers, the Lenders, the Issuing Banks and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Lenders, the Issuing Banks or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Lenders, the Issuing Banks and their Affiliates may, in addition to providing or participating in commercial lending facility such as that provided hereunder, be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Company and its Subsidiaries or other Affiliates, and none of the Administrative Agent, the Lenders, the Issuing Bank or their Affiliates has any obligation to disclose any of such interests to the Company or any of its Subsidiaries or other Affiliates. To the fullest extent permitted by law, each Borrower, on behalf of itself and its subsidiaries, hereby agrees not to assert any claims against any of the Administrative Agent, the Arrangers, the Lenders or the Issuing Banks or their Affiliates with respect to any breach or alleged breach of fiduciary duty in connection with any aspect of any transaction contemplated hereby or any communications in connection therewith.

SECTION 10.17. Non-Public Information. (a) Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by any Loan Party or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain MNPI. Each Lender represents to each Borrower and the Administrative Agent that (i) it has developed compliance procedures regarding the use of MNPI and that it will handle MNPI in accordance with such procedures and applicable law, including Federal, state and foreign securities laws, and (ii) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain MNPI in accordance with its compliance procedures and applicable law, including Federal, state and foreign securities laws.

(b) Each Borrower and each Lender acknowledge that, if information furnished by any Borrower pursuant to or in connection with this Agreement is being distributed by the Administrative Agent through the Approved Electronic Platform, (i) the Administrative Agent may post any information that such Borrower has indicated as containing MNPI solely on that portion of the Approved Electronic Platform as is designated for Private Side Lender Representatives and (ii) if any Borrower has not indicated whether any information furnished by it pursuant to or in connection with this Agreement contains MNPI, the Administrative Agent

shall post such information solely on that portion of the Approved Electronic Platform as is designated for Private Side Lender Representatives.

(c) Each Borrower agrees to specify whether any information furnished by such Borrower to the Administrative Agent pursuant to, or in connection with, this Agreement contains MNPI.

SECTION 10.18. Securities Principles. Notwithstanding anything herein or the other Loan Documents to the contrary, with respect to all Loan Documents, (a) a Foreign Person shall not directly or indirectly make any guarantee or pledge any assets to support an Obligation of a US Person and (b) payments by Foreign Persons under the Loan Documents (including pursuant to Sections 2.05, 2.11, 2.18, 10.03 and 10.08 hereunder) shall satisfy the Obligations only of Foreign Persons and shall be limited to the aggregate Obligations of Foreign Persons, and shall not satisfy any Obligations of US Persons.

SECTION 10.19. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 10.20. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “US Special

Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a US Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the US Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a US Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the US Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 10.21. Amendment and Restatement. (a) Subject to Section 4.01, this Agreement amends and restates in its entirety the Existing Credit Agreement. All rights, benefits, indebtedness, interest, liabilities and obligations of the parties to the Existing Credit Agreement are hereby amended, restated, replaced and superseded, in their entirety, on the terms and provisions set forth herein; provided that all indemnification obligations of the Borrowers pursuant to the Existing Credit Agreement shall survive the amendment and restatement of the Existing Credit Agreement pursuant to this Agreement. In furtherance of the foregoing, (i) each party hereto acknowledges and agrees that, on and as of the Restatement Effective Date, Schedule 2.01 sets forth all the Commitments of all the Lenders (and no Person whose name does not appear on Schedule 2.01 shall have, or shall be deemed to have, a Commitment on the Restatement Effective Date, it being understood and agreed that each such Person, if a Lender under the Existing Credit Agreement, shall continue to be entitled to the benefits of Sections 2.14, 2.16, 2.17 and 10.03 of the Existing Credit Agreement) and (ii) each Global Tranche Lender acknowledges and agrees that, on the Restatement Effective Date and without any further action on the part of any Issuing Bank or any Global Tranche Lender, each Issuing Bank shall have granted to such Global Tranche Lender, and such Global Tranche Lender shall have acquired from such Issuing Bank, a participation in each Existing Letter of Credit issued by such Issuing Bank and outstanding on the Restatement Effective Date equal to such Lender’s Global Tranche Percentage from time to time of the aggregate amount available to be drawn under such Letter of Credit.

(b) On and after the Restatement Effective Date, each reference to “the Credit Agreement” or words of similar import in any other Loan Document shall be deemed to be a reference to this Agreement.
