Explanation of Responses:

- Proceeds from the sale were contributed by the reporting person to a 401(k) plan for the benefit of the reporting person, and will be used by the plan to repurchase the same number of shares of the Issuer. The reporting person has agreed to pay to the Issuer, no later than the settlement of the purchase, the full amount of any profit realized in connection with any non-exempt short-swing transactions, less transaction costs. (Sale and purchase of shares required because contribution of shares directly not permitted under the terms of the plan.) Shares held by the plan are deemed beneficially owned by the reporting person. The total number of shares that will be beneficially owned by the reporting person following such repurchase will not be changed as the result of these transactions.

The reporting person undertakes to provide to Albany International Corp., any security holder of Albany International Corp., or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the ranges set forth in footnote (1) to this Form 4.
